SWA Series

LED Stairwell / Corridor Ceiling Mounted Decorative Fixture

General Description

Our commercial SWA Series — 2Ft LED Stairwell / Corridor Ceiling Mounted Decorative Fixture offers the most advanced features in the industry that maximizes energy savings and minimizes maintenance costs. Built for areas that require a 'finished' and 'polished' look, the SWA series is perfect for stairwells, corridors, and indoor areas that require sleek, decorative ceiling mounted fixture that are efficient, durable and reliable.

The 2ft 25W and color temperature of 5000K, with an integrated occupancy sensor will reduce to 13W after 5 minutes with no motion and a 90-minute battery back-up. This series directional lumen output makes it the perfect replacement for two or three lamp T-8 and T-12 fixtures. For clients who want to improve light output, and significantly reduce energy costs, the SWA offers an immediate, affordable solution.

Applications

Indoor stairwells, utility rooms, hallways, closets, storage rooms, general utility use, etc.
