Moroccan™ in Diamond Sand

The Moroccan™ is the result of years of research, whereby Leisure Pools® designers were able to incorporate some of the most popular attributes of a pool into one stunning package. This is a swimming pool with more features than any other pool in today's market.

The Moroccan™ is generous in size and stylish in looks and will give your family the lifestyle you have always desired. Through clever design all steps, benches and seating have been kept clear of the center corridor to provide unobstructed end to end swimming.

Instead of just one entry point, The Moroccan™ provides three — two near the shallow end, located on either side of the pool, and one in the deep area. With the convenience of always having an entry/exit point nearby, this allows for versatility of pool placement in relation to your house or outside entertainment area.

The Moroccan™ provides ample seating areas around the pool with a swim out bench and step at the deep end, as well as a generous corner seating area at the shallow end. Optional spa jets and seat aeration may be installed, making this the perfect spot to sit back and relax.

The Moroccan™ is a spacious pool with room for the whole family and comes in multiple sizes. Whether playing games, swimming laps or just relaxing and cooling off, The Moroccan™ will suit all your needs.
