E. DELIVERY

Building will arrive fully constructed at the customers site on a truck and trailer similar to the one pictured. We will need prior clearance to install the building. Concrete 2" pavers must be supplied by the customer. They are available from Lowe's to purchase and must be on hand to level or no leveling will be done.

Contact your Lowe's PSE to order your building today!

For additional info go to www.americasbuildings.com - A site exclusively for Lowe's.
