Message from the President

I want to thank everyone who volunteered their time to help clean up the club. Together, we crossed off many necessary elements to get our beautiful club ready for the summer with only a few final touches remaining. I know everyone is excited to get back to Bear Creek and have a great summer.

Our staff is in place for the 2021 season, you will see some familiar faces and a few new ones as well! We would like to welcome **Ryan Freeman** back as our tennis pro and **Stewart Ratliff** and **Sheila Peebles** as our swim coaches. The facility managers for this summer, **George Stieduhar**, **Alyssa Banister**, **Miles Van Zweden** and **Alexis Rowe**. A big thank you to Miranda Wilson for all her dedicated effort these last two weeks to organize and inventory the pool for us. On account of nursing school she will not be managing this season, but wanted to get us ready to open by seeing to all the things that "magically get done" each year.

In compliance with the recently updated Jefferson county public health order, and with assurances from our close contacts there, we will open on Saturday, May 29th at 10a.m. without restrictions. Tables will be appropriately spaced and hand sanitizer available. As far as viral infections go the pool water itself is 80,000 gallons of disinfectant. That being said, any member that has been exposed or is symptomatic must remain home and follow isolation and quarantine protocols outlined by the Department of Public Health. Please keep in mind that all prudence exercised, and precautions taken by your household is never a wasted effort and serves to protect the "All Clear" status currently in effect here in Jefferson County. Members may wear their masks if they wish but are not required to. Guests will again be welcomed to join members at the club this summer for the usual fees provided county guidelines do not change.

The board has planned many exciting events for this summer. Please look at the Calendar of Events page at the end of this newsletter for further details and mark your calendars. You don't want to miss

out on the great events we have scheduled!

A few reminders:

- Club rules stipulate that parents or caregivers keep an eye on their children when swimming and playing in the park or on the playground. We have already this season had an incident of vandalism on account of member children who were in the park without supervision.
- Children playing on the playground should not climb on the outside of the tunnel tubes.
- With our club at full capacity, please keep in mind that per club rules, adults (16 years and over) have priority on lounge chairs.
- Guests may only use the club in attendance with members and must pay the entry fee. Not to do so may result in permanent expulsion of the guest from the club and disciplinary action for the member.
- Also, don't forget to put your umbrella down when the wind picks up suddenly!

You can reach out to me with any of your concerns and all of your compliments at info@bcstc.org.

Can't wait to see our summer family back together again!

John Wilson
President

Parties at Bear Creek Swim & Tennis Club

BCSTC has always been a great place to host a party. It's also a good way to showcase our club to potential new members. There are guidelines for parties that our members should be aware of. If you are planning a party during open hours, always check with the facility manager first just to make sure there are not other parties scheduled. You may want to choose a different day for your party if that is the case.

If you have a party, your guests are charged the normal guest fees (\$5.00 on Monday - Thursday or \$7 on Friday, Saturday, and Sunday). If you hosting a party with 15 or more guests, you must first alert the facility manager, as we must have additional staff. There is a \$25 charge above the normal guest fees per every 25 guests (to pay for the extra staffing) in attendance. In addition, there is a reservation form that must be filled out with the manager. This form ensures that we have adequate staff and can meet the needs for your party. Again this year, the member host will need to pay a \$100 deposit for parties of 15 or more prior to the beginning of the party. In addition, the host member must collect guest fees from his/her guests and then square up with the manager at the conclusion of the party. It also can be helpful to create a guest list so our staff can check in your guests as they enter the club, but it is not a requirement. Please do not bring glass (bottles) into the club.
