- ☒ Light colored clothing and safety vests at all times when working on the right-of-way.
- ☒ Heavy work gloves.
- ☒ Work type shoes or boots with ankle support. Tennis shoes and sandals are not recommended.
- ☒ Wear a hat and long sleeves to avoid sunburn. Use a sunscreen lotion on sunny days. Have plenty of ice water at the work site.

2. Where should crew members park their vehicles?

- ☒ Park all vehicles well clear of the roadway and at least ten feet (if possible) from the traveled portion.
- ☒ Keep the vehicles on the same side of the highway as the volunteers.
- ☒ Car-pool to the site to reduce the number of parked vehicles.

3. What is the best way to protect workers from traffic?

- ☒ Always face oncoming traffic while you work.
- ☒ Work together as a group. Do not separate.
- ☒ Do not work when it is foggy or when the roadway is slippery from being wet or icy.
- ☒ Work during daylight hours only.
- ☒ Post a reliable lookout person to be aware of traffic situations. Equip that person with a whistle. Be prepared to move out of the way in an emergency.
- ☒ DO NOT cross sections of traveled roadway.

☑ Make sure signs are set up properly.

☑ DO NOT wear portable music players that can interfere with your ability to hear oncoming traffic or other potential hazards.

4. What are the limits of the pickup areas?

☑ Stay clear of any mowing operations or other maintenance and construction activities.

☑ DO NOT wander onto private property.

Re: *Subscription to the Ohio Basic Code, 2020 Edition*

January 2020

Thank you for your subscription to the *Ohio Basic Code, 2020 Edition*. This model Code of Ordinances has been adopted by the Village as their own Code, and the 2020 Edition replaces any previous editions of the Village Code. Please note, however, that if you have received a looseleaf "Title 17: Municipal Regulations," this **Title 17 is not affected by this 2020 Edition and should be retained**. Please mail any Village ordinances to update your Title 17 to our office at your earliest convenience.

Enclosed you will also find a note regarding a recent amendment to Ohio Revised Code § 9.68, sample adopting ordinance, a summary of new matter (for publication notification), and a certification of codified ordinances, all provided for your convenience in adopting the *Ohio Basic Code, 2020 Edition*.

We are pleased to provide the *Ohio Basic Code, 2020 Edition*, and we look forward to continuing to serve Ohio villages.

Very truly yours,

NOTE REGARDING OHIO REVISED CODE § 9.68

As amended by House Bill 228, and effective on December 28, 2019, Ohio Revised Code § 9.68 reads:

9.68 Right to Bear Arms – Challenge to Law.

(A) *The individual right to keep and bear arms, being a fundamental individual right that predates the United States Constitution and Ohio Constitution, and being a constitutionally protected right in every part of Ohio, the general assembly finds the need to provide uniform laws throughout the state regulating the ownership, possession, purchase, other acquisition, transport, storage, carrying, sale, other transfer, manufacture, taxation, keeping, and reporting of loss or theft of firearms, their components, and their ammunition. The general assembly also finds and declares that it is proper for law-abiding people to protect themselves, their families, and others from intruders and attackers without fear of prosecution or civil action for acting in defense of themselves or others. Except as specifically provided by the United States Constitution, Ohio Constitution, state law, or federal law, a person, without further license, permission, restriction, delay, or process, including by any ordinance, rule, regulation, resolution, practice, or other action or any threat of citation, prosecution, or other legal process, may own, possess, purchase, acquire, transport, store, carry, sell, transfer, manufacture, or keep any firearm, part of a firearm, its components, and its ammunition. Any such further license, permission, restriction, delay, or process interferes with the fundamental individual right described in this division and unduly inhibits law-abiding people from protecting themselves, their families, and others from intruders and attackers and from other legitimate uses of constitutionally protected firearms, including hunting and sporting activities, and the state by this section preempts, supersedes, and declares null and void any such further license, permission, restriction, delay, or process.*

(B) *A person, group, or entity adversely affected by any manner of ordinance, rule, regulation, resolution, practice, or other action enacted or enforced by a political subdivision in conflict with division (A) of this section may bring a civil action against the political subdivision seeking damages from the political subdivision, declaratory relief, injunctive relief, or a combination of those remedies. Any damages awarded shall be awarded against, and paid by, the political subdivision. In addition to any actual damages awarded against the political subdivision and other relief provided with respect to such an action, the court shall award reasonable expenses to any person, group, or entity that brings the action, to be paid by the political subdivision, if either of the following applies:*

(1) *The person, group, or entity prevails in a challenge to the ordinance, rule, regulation, resolution, practice, or action as being in conflict with division (A) of this section.*

(2) *The ordinance, rule, regulation, resolution, practice, or action or the manner of its enforcement is repealed or rescinded after the civil action was filed but prior to a final court determination of the action.*

(C) *As used in this section:*

(1) *The possession, transporting, or carrying of firearms, their components, or their ammunition include, but are not limited to, the possession, transporting, or carrying, openly or concealed on a person's person or concealed ready at hand, of firearms, their components, or their ammunition.*

(2) *"Firearm" has the same meaning as in section 2923.11 of the Revised Code.*

(3) *"Reasonable expenses" include, but are not limited to, reasonable attorney's fees, court costs, expert witness fees, and compensation for loss of income.*

(D) *This section does not apply to either of the following:*

(1) *A zoning ordinance that regulates or prohibits the commercial sale of firearms, firearm components, or ammunition for firearms in areas zoned for residential or agricultural uses;*

(2) *A zoning ordinance that specifies the hours of operation or the geographic areas where the commercial sale of firearms, firearm components, or ammunition for firearms may occur, provided that the zoning ordinance is consistent with zoning ordinances for other retail establishments in the same geographic area and does not result in a de facto prohibition of the commercial sale of firearms, firearm components, or ammunition for firearms in areas zoned for commercial, retail, or industrial uses.*

There is widespread uncertainty as to the effect of this law on municipal ordinances that relate to firearms and weapons (such as Ohio Basic Code Chapter 137), and the law is currently being challenged on several grounds. **Before issuing citations for any firearms- or weapons-related offenses under any Ohio Basic Code sections, please consult with the Village Attorney and/or the Ohio Municipal League for advice and direction.**

Re: *Subscription to the Ohio Basic Code, 2021 Edition*

January 2021

Thank you for your subscription to the *Ohio Basic Code, 2021 Edition*. This model Code of Ordinances has been adopted by the Village as their own Code, and the 2021 Edition replaces any previous editions of the Village Code. Please note, however, that if you have received a looseleaf "Title 17: Municipal Regulations," this **Title 17 is not affected by this 2021 Edition and should be retained**. Please mail any Village ordinances to update your Title 17 to our office at your earliest convenience.

Enclosed you will also find a note regarding a recent amendment to Ohio Revised Code § 9.68, sample adopting ordinance, a summary of new matter (for publication notification), and a certification of codified ordinances, all provided for your convenience in adopting the *Ohio Basic Code, 2021 Edition*.

We are pleased to provide the *Ohio Basic Code, 2021 Edition*, and we look forward to continuing to serve Ohio villages.

Very truly yours,

Todd Paul Myers, J.D.

NOTE REGARDING OHIO REVISED CODE § 9.68

As amended by House Bill 228, and effective on December 28, 2019, Ohio Revised Code § 9.68 reads:

9.68 Right to Bear Arms – Challenge to Law.

(A) The individual right to keep and bear arms, being a fundamental individual right that predates the United States Constitution and Ohio Constitution, and being a constitutionally protected right in every part of Ohio, the general assembly finds the need to provide uniform laws throughout the state regulating the ownership, possession, purchase, other acquisition, transport, storage, carrying, sale, other transfer, manufacture, taxation, keeping, and reporting of loss or theft of firearms, their components, and their ammunition. The general assembly also finds and declares that it is proper for law-abiding people to protect themselves, their families, and others from intruders and attackers without fear of prosecution or civil action for acting in defense of themselves or others. Except as specifically provided by the United States Constitution, Ohio Constitution, state law, or federal law, a person, without further license, permission, restriction, delay, or process, including by any ordinance, rule, regulation, resolution, practice, or other action or any threat of citation, prosecution, or other legal process, may own, possess, purchase, acquire, transport, store, carry, sell, transfer, manufacture, or keep any firearm, part of a firearm, its components, and its ammunition. Any such further license, permission, restriction, delay, or process interferes with the fundamental individual right described in this division and unduly inhibits law-abiding people from protecting themselves, their families, and others from intruders and attackers and from other legitimate uses of constitutionally protected firearms, including hunting and sporting activities, and the state by this section preempts, supersedes, and declares null and void any such further license, permission, restriction, delay, or process.

(B) A person, group, or entity adversely affected by any manner of ordinance, rule, regulation, resolution, practice, or other action enacted or enforced by a political subdivision in conflict with division (A) of this section may bring a civil action against the political subdivision seeking damages from the political subdivision, declaratory relief, injunctive relief, or a combination of those remedies. Any damages awarded shall be awarded against, and paid by, the political subdivision. In addition to any actual damages awarded against the political subdivision and other relief provided with respect to such an action, the court shall award reasonable expenses to any person, group, or entity that brings the action, to be paid by the political subdivision, if either of the following applies:

(1) The person, group, or entity prevails in a challenge to the ordinance, rule, regulation, resolution, practice, or action as being in conflict with division (A) of this section.

(2) The ordinance, rule, regulation, resolution, practice, or action or the manner of its enforcement is repealed or rescinded after the civil action was filed but prior to a final court determination of the action.

(C) As used in this section:

(1) The possession, transporting, or carrying of firearms, their components, or their ammunition include, but are not limited to, the possession, transporting, or carrying, openly or concealed on a person's person or concealed ready at hand, of firearms, their components, or their ammunition.

(2) "Firearm" has the same meaning as in section 2923.11 of the Revised Code.

(3) "Reasonable expenses" include, but are not limited to, reasonable attorney's fees, court costs, expert witness fees, and compensation for loss of income.

(D) This section does not apply to either of the following:

(1) A zoning ordinance that regulates or prohibits the commercial sale of firearms, firearm components, or ammunition for firearms in areas zoned for residential or agricultural uses;

(2) A zoning ordinance that specifies the hours of operation or the geographic areas where the commercial sale of firearms, firearm components, or ammunition for firearms may occur, provided that the zoning ordinance is consistent with zoning ordinances for other retail establishments in the same geographic area and does not result in a de facto prohibition of the commercial sale of firearms, firearm components, or ammunition for firearms in areas zoned for commercial, retail, or industrial uses.

There is widespread uncertainty as to the effect of this law on municipal ordinances that relate to firearms and weapons (such as Ohio Basic Code Chapter 137), and the law is currently being challenged on several grounds. Before issuing citations for any firearms- or weapons-related offenses under any Ohio Basic Code sections, please consult with the Village Attorney and/or the Ohio Municipal League for advice and direction.
