**HIGHWAY SAFETY LEADERS, INC.
SAFETY LEADERS, INC.
55th Annual Conference
Louisville, Kentucky
September 15-17, 2022**

I am so pleased to welcome you to Kentucky and our 55th annual conference of NAWHSL! We've all endured a lot over the past two years. Having to adapt to a virtual work environment while still being creative to ensure our safety messages delivered tested our skills. Our conference theme, Traffic Safety in an Equitable World, has been carefully chosen to mark a milestone of our society. Our members have made and continue to make tremendous contributions in research, teaching and practice, resulting in impacts in many sectors of safety. At this conference let us celebrate what we, as professionals have achieved by sharing our thoughts and exchange ideas that we can take back to our states.

We strive to put our new ideas to the test and share the good works of others and build programs that will ultimately reduce injuries and save lives. We appreciate all the efforts each of you continue to make to improve safety in our great nation.

As NAWHSL continues to change and grow, we are hopeful that we can count on everyone's continued support and dedication throughout the years. We would like to thank all of the sponsoring organizations for providing their generous financial support. Lastly, we would like to thank all of the conference participants for their contributions which are the foundation of this conference. We have an exciting program with many wonderful speakers. As we renew friendships and extend our networks, I hope that you will have a productive and fun-filled time as you enjoy yourself in Louisville!

Many thanks to Edica Esqueda, Deana Dothage, Tiffany Duvall, Kay Brodbeck and Cindy McKay for all your help!

Sincerely,

Juliet Little
President, NAWHSL
