President's Message

Doesn't seem possible that we're going to be putting 2021 in the rear view mirror. We always ask where has the year gone. This year is no exception. Overall the club has had a good year. We had our cruises, meetings and cookouts. We added new members, the club is seeing a resurgence. Great to see.

As I write this Thanksgiving has come and gone. A time to be with and enjoy your family.

We have a couple of events left in December

- 1) Cape Cod Symphony - 12/03/21
- 2) Gardens Aglow at Heritage Museum- 12/09/21 Dinner at Amari's 4:30 PM
- 3) Christmas Party - 12/12/21 Dinner at Mezza Luna 5:00 - 9:00 PM

Welcome to new members

Corvette Enthusiast 'Twas The Night Before Christmas' Returns

*'Twas the night before Christmas and out in the garage,
There wasn't a trace of a Honda, Toyota, or Dodge.
The presents were wrapped and the lights were all lit,
So I figured I'd mess with my classic Corvette for a bit.*

*I popped the release and lifted the hood,
When a deep voice behind me said "looks pretty good."
Well, as you can imagine, I turned mighty quick,
And there, by the workbench, stood good ol Saint Nick!*

*We stood there a bit, not too sure what to say,
Then he said "don't suppose that you'd trade for my sleigh?
"No way, Santa" I said with a grin,
"But if you've got the time we can go for a spin!"*

*His round little mouth, all tied up like a bow,
Turned into a smile and he said "Sure! Let's go!!"
So as not to disturb all the neighbors' retreat,
We quietly pushed the Vette out to the street,*

*Then, taking our places to coast down the hill,
I turned on the key and I let the clutch spill.
The sound that erupted took him quite by surprise,
But he liked it a lot, by the look in his eyes.*

*With tires a' screaming and side pipes aglow,
We headed on out to where the hot rodders go.
And Santa's grin widened, approaching his ears,
With every shift up as I banged through the gears.*

Then he yelled "can't recall when I've felt so alive!"

*So I backed off the gas and asked Santa if he wanted to drive.
Ole Santa was stunned when I gave him the keys,
When he walked past the headlights he shook at the knees!*

*The Corvette exploded with side exhaust sound!
And when Santa let out the clutch and the tires shook the ground!
Power shift into second, again into third!
I sat there just watching, at loss for a word,*

*Then I heard him exclaim as we blasted from sight,
“Merry Christmas to all, it’s one hell of a night!!!”*
