Commodore's Corner

**Commodore
Ralph Kennedy**

Greetings HBYC members & Friends!

This month's newsletter is both sweet and sad.

The sweet: What a great time we all had at the Change of Watch ceremony and the Commodore's Ball In Jan! **Thank you** to all of you who worked so hard to make these such great events. Our club simply would not exist without the dedication of so many of our club members. There is always room for more and we are so eager to expand our offerings. Got an idea? Passionate about something and want to contribute this passion to the club? Please reach out to me or one of the many people you see scurrying about during our events. We need you!

The sad: We bid a sad "ahoy" and "smooth sailing" to Fred Ganz, a lifetime sailor, longtime member of the yacht club and devoted husband of 50 years to his beloved Claire; who suddenly passed away on Jan 26th. Fred loved his wife, his life, his family & friends and our club. He will be greatly missed.

Your Commodore, *Ralph Kennedy*

I have wanted to be like a few men I've read about, & a few that I've come to know. Teddy Roosevelt & Albert Einstein are two that I've read about. Fred, I'm glad I got to have known you. A tiny part of you lives on in my memory; you're still here in my heart!
