

Residential - Rural Property Protection **Contact us for a free consultation**

www.castledefense360.com

Are you concerned about trespassing of your property? Do you value your property and assets? Would you like your property protected by veterans with years of experience as protectors? We are here for you.

We have a proven record of 100% success rate in denying unauthorized access to property and buildings with no loss of assets or damage to property.

We can protect your vacation home, your permanent residence while you are away. You receive a free basic property assessment and an official brief written report.
