Dear WILLIAM WINSLOW,

Congratulations!

Your request for a NRC Software Digital Certificate digital credential has been completely approved by the NRC and requires additional action for completion.

Please have the code listed below (depending on credential type) with you as you will need this when in the process of activating your credential.

For Software Digital Certificates, your Enrollment Code is 989638623:

- Please visit our website [NRC External Credential Service](https://pki.symauth.com/certificate-service?x=dV5RVJlss8soEp6X) (https://pki.symauth.com/certificate-service?x=dV5RVJlss8soEp6X) to collect your certificate.
- Once your credential has been collected you will be able to access the NRC application to which you requested access.

For One Time Password Credentials please use NRCI20222043FEDC68 as your approval code:

- If you opted for a hardware OTP credential, you should have received the credential with this mailer.
- If you opted for a mobile OTP credential, visit [VIP Access](https://vip.symantec.com) (https://vip.symantec.com) to download your mobile OTP credential.
- Please visit our website [NRC External Credential Service](https://pki.nrc.gov/ExternalCredentialingService) (https://pki.nrc.gov/ExternalCredentialingService) to activate your OTP credential.
- Once your credential has been registered you will be able to access the NRC application to which you requested access.

Please note that your login for the NRC External Credential Service is **wmw0013**. Please use the password you chose during the initial request submission.

If you have any questions, please contact the Support Center for your NRC application:
