Church Renewal Journey

September 16-18

It's a weekend designed to reawaken the church to our purpose and passion, to refresh us with a godly perspective, and renew our love for Christ.

A team of Baptists from throughout the nation will come to lead us in small groups, in larger worship gatherings, and for meals together.

"Repent and return..., in order that times of refreshing may come from the presence of the Lord." Acts 3.19

Under the leadership of Reverend R. L. Gay (1913-1915) a movement was started to erect a new church building in a more suitable location. Reverend Gay began the work of raising funds for a new building. The Morton property at the corner Main and Harvey Streets was purchased in 1916. He resigned before actual construction was begun, and the Reverend Edward Jenkins (1916-1917) was pastor during the actual building. Two lots were sold from the grounds before building would begin. The Morton house which stood facing Main Street was moved to face Harvey Street and was used as the church annex. In 1916, with the Great War (World War I) raging in Europe, ground was broken and construction began. The \$20,000 building project was completed in 1917 as the United States entered the war, and is still in use. The fifteen members of the church of 1893 had swelled to 150 members when the building on East Main Street was occupied.

Welcome these families to the First Baptist Church!
