

"Never again will one generation of veterans abandon another."

GOALS

VVA's goals are to promote and support the full range of issues important to Vietnam veterans, to create a new identity for this generation of veterans, and to change public perception of Vietnam veterans.

What is a Vet?

A Veteran - whether active duty, retired, national guard or reserve - is someone who, at one point in his life, wrote a blank check made payable to "The United States of America," for an amount of "up to and including their life."

That is honor, and there are way too many people in this country who no longer understand it.
