II. Legislative Affairs: Nothing significant to report.

III. Public Affairs: Our hosting of our annual veteran support golf tournament received coverage in the local paper. Our chapter was recognized (with photo) in the Chapters in Action section of the September Military Officer Magazine.

IV. Chapter Vitality and Levels of Excellence:

- (a) Levels of Excellence: We will receive our 5-star award for Levels of Excellence at the October annual meeting of MOAA.
- (b) Self-Evaluation: we currently rate ourselves 64 (Outstanding). Areas of emphasis continue to be the Transition Assistance Program as well as membership within the very small active duty component in the ROTC departments of VMI. We continue to have challenges in our recruitment initiatives among the ROTC staff.

V. Most Significant Chapter Events of the Quarter: Our activities continue to be affected by COVID. Our August lunch, which was to take place after a long hiatus due to COVID, was cancelled at the last minute due to concerns about the new Delta variant. We hosted our annual golf tournament on 10 September, with excellent results. Although the number of golfers was down this year, the number of donations and hole sponsorships was up, indicating a continuing high level of support for veterans in our community.
