The Board shall set the date(s) such assessments shall become due. The Board may provide for collection of assessments annually or in monthly, quarterly, or semi-annual installments; provided however that upon default in the payment of any one or more installments, the entire balance of said assessment may be accelerated at the option of the Board and be declared due and payable in full.

Section 4. Special Assessment for Capital Improvements.

In addition to the annual assessments authorized above, the Association may levy in any assessment year a special assessment applicable to that year and not more than the next two succeeding years for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair, or replacement of a capital improvement upon the Common Area including fixtures and personal property related thereto, providing that any such assessment shall have the assent of the Class C Member and of two-thirds (2/3) of the votes of the Owners who are voting in person or by proxy at a special meeting duly called for that purpose.

Section 5. Special Parcel Assessment for Capital Improvement.

In addition to the annual assessments authorized above, the Association may levy in any assessment year a special assessment against the Lots of the Parcel for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Parcel, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of the Owners of Lots in the Parcel who are voting in person or by proxy at a meeting duly called for this purpose.

Section 6. Date of Commencement of Annual Assessments.

The annual assessments provided for herein shall commence with respect to assessable units within a Parcel on the day of conveyance of the first Lot in the Parcel to an Owner who is not the Developer. The initial monthly assessment on any assessable unit shall be collected at the time of permanent loan closing. In the event permanent loan closing takes place on or before the fifteenth (15th) day of the month, a full month's assessment shall be collected. In the event permanent loan closing takes place after the fifteenth (15) day of the month, one-half (1/2) of the monthly assessment shall be collected.

Section 7. Effect of Nonpayment of Assessments: Remedies of the Association. (Any assessment not paid within thirty (30) days after the due date may upon resolution of the Board bear interest from the due date at a percentage rate no greater than the current statutory maximum annual interest rate charged on an "open account" to be set by the Board for each assessment period.) The Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien against the property. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Amended to 6% 3334/47D

Section 8. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage, first purchase money security deed or security deed representing a first lien on said property. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to foreclosure shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof. Add - 3334/472

Section 9. Exempt Property. The following property subject to this Declaration shall be exempted from the assessments, charge and lien created herein: (1) all properties to the extent of any easement or other

interest therein dedicated and accepted by the local public authority and devoted to public use; (2) all Common Areas; (3) all properties exempted from taxation by state or local governments upon the terms and to the extent of such legal exemption. Notwithstanding any provisions herein, no land or improvements devoted to dwelling use shall be exempt from said assessments, charges, or liens.

Section 10. Annual Budget. By a two-thirds (2/3) vote of the directors, the Board shall adopt an annual budget for the subsequent fiscal year, which shall provide for allocation of expenses in such a manner that the obligations imposed by the Declaration and all Supplementary Declarations will be met.

Such general rules may be amended by a two-thirds (2/3) vote of the Architectural Review Board, following a public hearing for which due notice has been provided, and pursuant to an affirmative vote of two-thirds (2/3) of the Board of Directors. All such general rules and any subsequent amendments thereto shall be placed in the Book of Resolutions and recorded in the public land records.

(c) Exceptions. The Architectural Review Board may issue temporary permits to except any prohibitions expressed or implied by this section, provided the Board can show good cause and acts in accordance with adopted guidelines and procedures.

Section 2. Maintenance of Property. In the event an Owner of any Lot in the Properties shall fail to maintain the premises and the improvements situated thereon, as provided herein, the Association, after notice to the Owner as provided in the By-Laws and approval by two-thirds (2/3) vote of the Board of Directors, shall have the right to enter upon said Lot to correct drainage and to repair, maintain and restore the Lot and the exterior of the buildings and any other improvements erected thereon. All costs related to such correction, repair or restoration shall become a Special Assessment upon such Lot.

3234/422

By virtue of this easement it shall be expressly permissible for the Developer or the providing utility or service company to install and maintain facilities and equipment on said property, to excavate for such purposes and to affix and maintain wires, circuits, and conduits on, in and under the roofs and exterior walls of said residences providing such company restores disturbed areas to the condition in which they were found. Notwithstanding anything to the contrary contained in this paragraph, no sewers, electrical lines, water lines, or other utility service lines or facilities for such utilities may be installed or relocated on said premises except as programmed and approved by the Developer prior to the conveyance of the first Lot in a Parcel to an Owner or by the Architectural Review Board thereafter. For a period of five (5) years from the date of conveyance of the first Lot in a Parcel, the Developer reserves a blanket easement and right on, over and under the ground within that Parcel to maintain and to correct drainage of surface water in order to maintain reasonable standards of health, safety and appearance. Such right expressly includes the right to cut any trees, bushes or shrubbery, make any gradings of the soil, or to take any other similar action reasonably necessary, following which the Developer shall restore the affected property to its original condition as near as practicable. The Developer shall give reasonable notice of intent to take such action to all

affected Owners, unless in the opinion of the Developer an emergency exists which precludes such notice.
