

BEFORE YOU SUBMIT YOUR TEAM LIST IN MYSIDELINE

ALL TEAMS MUST BE SUBMITTED BY 7PM THURSDAY NIGHT IN MYSIDELINE MANAGER

- If My Sideline states your team has a **BYE** please check with your club to make sure this is the correct information. All Team Managers must wait until the club posts the final draw on our Burpengary Jets Junior Rugby League Facebook page before messaging their team with game time etc.
- For Under **U6-U11s** you will allocate your team players in My Sideline Managers Team List as player 1, player 2 etc. Your teams Coach, League Safe, Team Manager etc. will be allocated under Non-Player. Add all your players and any regular players who fill in for you to your team list weekly otherwise they will not be able to take the field.
- For Under **U12-18s** you will be required to allocate your team players positions on your Team List which will then automatically allocate a Jersey number to their name and selected position. Coaches will need to provide Managers with a Team list that allocates a position to each player by the beginning of training on Thursdays. U12s will submit their scores but they will not be published. Submit your whole team and any players you may need to fill in for you. Add fill in's to your team list weekly, otherwise they will not be able to take the field if you do need them.
- When **requiring players from other teams to fill** in for your team they need to be added to your teams squad in MySideline Manager before you submit your team list. Check if the player is already available in your squad otherwise email: registrar@burpengaryjets.com.au with the full name of the player, what team they are from and what team they are filling in for or go into the office for assistance. Burpengary Jets Phone Contacts are available on our websites Coaches/Managers TAB in case the registrar is unavailable.
- Players **playing up or down an age group** will need to be approved by the club and allocated to their nominated team in My Sideline Manager. E: registrar@burpengaryjets.com.au
- Under 10s-18s must have an accredited **Touch Judges** (14 years or older) available at every game. Open Men's will have a TJ appointed and one volunteer TJ supplied by the host club.

GAME DAYS For U13s+

- Team Managers of both teams are to present to the game day room (off to the side so not blocking the counter) to sight each other's player and team officials participant digital cards or the match will not begin.
- Team Managers are to advise Host Club if there are any discrepancies between the digital match sheet and the printed match sheet. Changes that have been made in MySideline after the hard copy was printed are to be confirmed and written down. **No changes can be made online after this point until the completion of the game.**
- If playing at home on field 1 the game day room will live score your match. The Team Manager is to live score if they are playing on field 2 only. Game day room is to check final scores match from both team managers before the final score is submitted.
- Any participant who has turned up during the first half and was not on the digital team list prior to kick-off must be presented the Host Club Scorer to have the player sighted, to confirm their name, jersey number and to be manually added to the printed match sheet.
- Team Managers are to present to the game day room to update any changes that could not be made prior to the game. Cross off any players unable to make the game and add DNP (did not play) next to their name, confirm the updated team list and confirm the final score. If either manager wishes to dispute this score, the game must be marked as disputed in My Sideline Manager. Only the Host team Scorer is to mark the match as final/disputed.
