Some of the services that might be covered by Medicaid or your physical health plan but not by SJC are medical, dental and vision care. Also, methadone maintenance services for substance use problems are not covered by SJC. If you need this service, you can get it from a Medicaid methadone maintenance service provider. If you have questions, call Medicaid at **1-800-662-9651**.

## **Section 5: Transportation**

### **How can I get help with transportation to my outpatient mental health or substance use disorder services?**

You may also go to one of service locations as seen on this page.

### **How quickly can I be seen?**

If you need emergency care you will be seen right away. (*See Emergency Services, Section 8*). We will give you urgent care for conditions that need to be taken care of right away, but that are not emergencies. If you need urgent care, we will see you within *5 working days*. If you do not have an urgent need for care, we will see you within

15 working days. If your condition changes and you think you need to be seen sooner, please call SJC at 435-678-2992 or toll free at 1-888-833-2992. We will talk about your needs again.

**Where do I go for mental health or substance abuse services?**

Our offices are located at:

San Juan Counseling

Blanding, UT 84511

For appointments call 435-678-2992 or  
toll free 1-888-833-2992.

**Section 7: Choosing Providers**

**Can I choose my provider?**

Yes, you can talk to us at any time about the provider you would like to see.

**Can I get mental health or substance use disorder services from someone outside SJC?**

In some situations, you can go to a provider outside of SJC. You and the provider must get approval before you get services outside SJC. You do not need approval before you get emergency services. (See Section 8 for Emergency Services) For more information, call us and ask for the Clinical Director.

You can also get covered services without SJC approval directly from a Federally Qualified Health Clinic (FQHC).

Indian members may also get covered services directly from an Indian health care provider without SJC approval.

**When will I be told if I can see someone outside SJC?**

If the provider has a written agreement with SJC, we can usually decide within 14 calendar days after you ask. Sometimes, we need more time

to make a decision. We will let you know about this in writing. If we need to take more time, you can file a grievance if you are unhappy about this (See section 15). If you or your provider wants us to take more time making the decision, let us know.

If you, or your provider, think it is important to make a decision quickly and we agree, we will try and make a decision in 3 working days. We will give you our decision in writing and also let the provider know what our decision is.

If the provider does not have a written agreement with SJC, we will always make a decision within 14 calendar days.

## **Section 8: Emergency Services**

### **What is an emergency?**

- ) When you think your life is in danger;
- ) When you believe you might harm yourself or others;
- ) When your safety or others' safety is at risk.

### **What are emergency services?**

These are mental health or substance abuse services given to treat your emergency.

### **How do I get emergency services?**

Call the Utah Crisis Line toll-free at 1-800-273-8255. The line is available 24 hours a day, 7 days a week including holidays, and you will be connected with a Utah crisis worker. During business hours, if you want to talk to a crisis worker in person, you can call or go to the San Juan Counseling clinic (See page 7). Tell the staff you want to see a crisis worker. We will help you with your emergency, and direct you to a treatment location if needed. If you don't want to call first, you can come right away to our outpatient clinics between 8 a.m. and 5 p.m. and talk to a crisis worker.

Day or night, you can go to the nearest hospital for emergency care. Even if you are out of town, go to the nearest hospital emergency room. You do not need approval from SJC before you get emergency services.

## **Section 9: Mental Health Care in a Hospital**

### **How do I get mental health care in a hospital?**

Mental health care in a hospital after an **emergency** is usually called post-stabilization care services.

SJC uses Provo Canyon Behavioral Hospital - 1350 East 750 North, Orem, UT and the Huntsman Mental Health Institute formally known as UNI-501 Chipeta Way Salt Lake City, UT for mental health care in a hospital. SJC must pre-approve your admission for mental health care in a hospital.

If a hospital other than Provo Canyon Behavioral or the Huntsman Mental Health Institute treats your emergency and wants to admit you, the hospital **MUST** call SJC at 435-678-2992 or toll free at 1-888-833-2992 to ask for approval. It's important to let the hospital know SJC is your Medicaid mental health provider so they can call us if they want to admit you. We might have you stay at that hospital or we might transfer you to our hospital.

## **Section 10: Payment for Services**

### **Hospital Emergency Room Services**

#### **Will I have to pay for emergency services?**

You will not have to pay for emergency services in a hospital emergency room. However, there is a co-payment if you use the emergency room when it is not an emergency.

### **Mental Health Care in a Hospital**

#### **Will I ever have to pay for mental health care in a hospital?**

The hospital can charge you a \$75 co-pay for each hospital stay. Hospitals cannot charge you more than the co-pay. Some Medicaid members do not have co-pays. You can look at Utah Medicaid's *Member Guide* for information on individuals who do not have co-pays.

## **Outpatient Mental Health and Substance Use Disorder Services.**

**Will I ever have to pay for mental health or substance abuse services?**

### **Non-Emergency Outpatient Services**

You might have to pay your provider for a **non-emergency** outpatient service if:

- J You get a service that is not covered by SJC or Medicaid; or
- J You get a service that is not pre-approved by SJC (the provider or you tried to get approval but SJC denied the request or approved less than was asked for); or
- J You do not go to a SJC provider.

If any of the above happens, your provider might ask you to pay for the service. You should only be billed for the service if all four things below are met:

- J The provider has a written policy for billing all patients for services that are not covered, not just Medicaid patients.
- J The provider tells you before you get the service that you will have to pay for the service.
- J You agree to pay for the service; and
- J There is a written agreement signed by you and the provider that says what the service is and how much you will have to pay.

**NOTE:** If SJC did not approve a service you or your provider asked for, you can ask for an appeal. You should get SJC's appeal decision before you agree to pay for the service. See Section 13, Appeals, for more information on Appeals.

You might also have to pay your provider for a nonemergency service if:

- J You ask for and keep getting services during an appeal or a Medicaid Fair Hearing. You would only have to pay if the appeal or Medicaid Fair Hearing decision is not in your favor.
- J You are not on Medicaid when you get the service.

### **Emergency Outpatient Services**

You will not have to pay for emergency outpatient services.

### **Ambulance Services for Emergency Care**

**Will I have to pay for ambulance services for emergency care?**

No. You will not have to pay for the ambulance.

## Section 11: Client Rights and Responsibilities

### What are my rights as a client?

As a client, you have the right to:

- ) Receive mental health and substance abuse services regardless of your age, race, color, national origin, ancestry, creed or religion, disability, sex, political affiliation, or any other designation stipulated by applicable state and national law. - ) Be able to exercise these rights and not be treated badly if I do.

## **What are my responsibilities as a client?**

- J Keep your appointments and be on time.
- J If you need to cancel an appointment, call the provider 24 hours in advance.
- J Be involved in your treatment plan and care.
- J Tell SJC and your Medicaid eligibility worker of changes in your address, phone number, or insurance.
- J Complete surveys about the services SJC has given you.
- J Respect the property, comfort, and confidentiality of clients and staff, and
- J Notify your treatment provider when you want to stop getting services.
- J Call Medicaid if you are suspicious of fraud, waste, or abuse  
(*See Section 19, Fraud, Waste and Abuse*)

## **Section 12: What are adverse benefit determinations?**

### **Adverse benefit determinations are when SJC:**

- J Denies (turns down) or approves fewer services than you wanted.
- J Denies payment to an outside provider for a service that you might have to pay for.
- J Does not offer your first appointment within the required amount of time for emergency, urgent, or non-urgent care and you are not happy with this. (*See Section 6, Getting Mental Health and Substance Abuse Services*)
- J Does not settle an appeal or grievance you have with us as soon as we are supposed to.
- J Does not make a decision about getting services you have asked for from an outside provider as soon as we are supposed to; or
- J Your provider reduces or stops a service previously approved. If you agree with the change, it is not an adverse benefit determination. It is only an adverse benefit determination if you tell us you don't want the change.

### **How will I know if SJC is making an adverse benefit determination?**

We will send you a letter called a Notice of Adverse Benefit Determination. You will have the right to ask for an appeal if you disagree.

## **Section 13: Appeals**

### **What is an appeal?**

An appeal is our review of our adverse benefit determination to see if we made the best decision.

### **Who can ask for an appeal?**

You, your legally authorized representative, or your provider, can ask for an appeal.

### **When can I ask for an appeal?**

Your Adverse Benefit Determination letter will give you information on how to ask for an appeal, including how soon you must tell us you want to appeal. In most situations, you must tell us you want to ask for an appeal within 60 days from the date on the Adverse Benefit Determination letter.

### **What if I need help asking for an appeal?**

If you need help with your appeal request, call the Clinical Director or Medicaid Specialist at 435-789-6300 or toll free at 1-844-824-6776.

### **Can I keep getting services if I ask for an appeal?**

If our adverse benefit determination was to reduce or stop services we had previously approved, you need to tell us if you want to keep getting those services. If you file your appeal request in the time frame required and you ask that those services be continued, we will keep giving you these services. You might have to pay for the services if the appeal decision is not in your favor. If you are asking for an appeal of any other kind of adverse benefit determination and have questions about services during the appeal, call the Clinical Director or Medicaid Specialist weekdays at 435-789-6300 or toll free at 1-844-824-6776, 8:00 a.m.–5:00 p.m.

### **When will SJC tell me the decision on my appeal?**

Usually, we will give you a written decision within 30 calendar days after we get your appeal request. Sometimes, we need more time to make the decision. If we need more time, we will let you know in writing. Also, you might want us to take more time for some reason. If so, let us know. When you, your provider, or we think it's important to make a decision on your appeal quickly, we will usually make a decision within 72 hours.

## **Section 14: Medicaid Fair Hearings**

### **What can I do if I am unhappy with the appeal decision?**

If you are unhappy with our decision on your appeal, or we cannot make a decision on your appeal as soon as Medicaid wants us to, this is what you can do:

You, your legally authorized representative, or your provider can ask for a fair hearing with Medicaid. In our appeal decision letter, we will tell you that you can ask for a fair hearing with Medicaid. The letter will tell you how and when to ask for the fair hearing. We will also give you the fair hearing request form to send to Medicaid. You must ask for a fair hearing in writing using the form we give you.

If you have questions or need helping filling out the form, call the Clinical Director or Medicaid Specialist weekdays, 8:00 a.m.–5:00 p.m. at 435-789-6300 or toll free at 1-844-824-6776.

At a fair hearing, you can speak for yourself, or you can have a relative, friend, lawyer, or anyone else speak for you. Before and during the fair hearing, you, and any person helping you, can present documents. Also, you, and any person helping you, can look at all the records that will be used at the fair hearing.

### **Can I keep getting my services if I ask for a Medicaid Fair Hearing?**

If the fair hearing is about our decision to reduce or stop services we have previously approved, you need to check the box on the fair hearing form asking that the services continue. If you request a fair hearing in the required timeframe and ask that SJC keep giving you services, we will continue to give you services. You might have to pay for these services if the fair hearing decision is not in your favor. If the fair hearing is about any other kind of adverse benefit determination, you can discuss your services during the fair hearing.

## **Section 15: Complaints/Grievances**

### **What if I have a complaint about SJC or my provider?**

If you have a complaint about anything other than an adverse benefit determination, this is called a Grievance. Examples of grievances are complaints about the quality of care or services given to you, rudeness of a provider, or a provider not respecting your rights.

### **Who can file a grievance?**

You, your legally authorized representative or your provider can file a grievance.

### **How do I file a grievance?**

You can tell your grievance to any SJC staff member; or

- ) You can call the Director or Clinical Director at 435-678-2992 or 1-888-833-2992 and tell us your grievance.
- ) You can give it to us in writing. Give it to your provider or any staff member, or mail it to:

San Juan Counseling Attn: Director  
735 S. 200 W. Suite 1  
Blanding, UT 84511

- ) If you don't want to talk to SJC about your grievance, you can call Medicaid on weekdays toll-free at 1-877-291-5583.

### **What if I have questions or need help filing my grievance?**

Call the Director or Clinical or Clinical Director at 435-678-2992 or toll free 1-888-833-2992.

### **When will SJC tell me the decision on my grievance?**

We will give you a decision within 90 calendar days after we get your grievance unless you ask us to take more time. Sometimes we need more time to make the decision. If we need more time, we will let you know about this in writing. Once we make a decision, we will either talk to you about our decision on your grievance, or we will send you a letter.

## **Section 16: Advance Health Care Directives**

### **What if I am ill and can't make health care decisions?**

You can give others instructions about your decisions for your health care. This is called an Advance Healthcare Directive. This will tell us, in writing, what health care choices you want made if you get very sick and can't decide for yourself. There is one form with instructions. You must use this form. We can give you the Advance Care Directive form or you can get it at <https://ucoa.utah.edu/directives/>

Once you have filled out the Advance Health Care Directive form, be sure to give a copy to all your health care providers. You should also keep a copy and give one to your family members. If you would like the form or need more information, please call the Director or Clinical Director at 435-678-2992 or toll free at 1-888-833-2992 or talk to your provider or case manager.

If you have an Advance Directive and there is a problem with it being followed, call the Utah survey and certification agency at 801-538-6158 or toll-free at 1-800-662-4157.

## **Section 17: Privacy**

### **Will my record be protected?**

SJC follows federal laws about privacy of your mental health and substance use disorder services record. SJC does not use or share your protected health information except as federal law allows. When allowed by federal law, only the minimum necessary information is shared. We will talk to you about privacy when you first come to SJC or your provider. You can also ask about your privacy rights any time. Talk to your provider or call us at 435-678-2992 or toll free at 1-888-833-2992.

## **Section 18: SJC Operations**

### **What if I want to know more about how SJC is set up and works?**

We will answer any questions you have about how we are set up, including questions about our grievance system, billing practices, confidentiality policy, and how we choose providers and what is required of them. If you ask, we will give you a copy of our Preferred Practice Guidelines for mental health and substance use

disorder services. Call SJC and ask for the Director or Clinical Director at 435-678-2992 or toll free at 1-888-833-2992. SJC physicians do not have incentive plans.

## **Section 19: Fraud, Waste and Abuse**

### ***What is health care fraud, waste and abuse?***

Doing something wrong related to Medicaid could be fraud, waste, or abuse. We want to make sure that health care dollars are used the right way. Fraud, waste, and abuse can make health care more expensive for everyone.

Some examples of fraud, waste, and abuse are:

### **By a Medicaid Member**

- ) Changing the amount or number of refills on a prescription.
- ) Giving their Medicaid card to someone else to use.
- ) Lying to get medical or pharmacy services.

### **By a Provider**

- ) Billing for services that have not been provided.
- ) Not reporting a patient's misuse of a Medicaid card.

### ***How can I report fraud, waste, or abuse?***

If you think there might be fraud, waste, or abuse, you may contact our Director or Clinical Director M-H 7:45 a.m.–5:15 p.m. and Friday 7:15 a.m. to 12:15 p.m., at 435-678-2992 or toll free at 1-888-833-2992.

You can also contact Utah's Office of Inspector General (OIG) email: [mpi@utah.gov](mailto:mpi@utah.gov) or by phone Toll-Free Hotline: 1-855-403-7283.

### ***For Medicaid Member fraud, waste, or abuse***

If you think there might be Medicaid member fraud, waste, or abuse, report it to the Department of Workforce Services Fraud email: [wsinv@utah.gov](mailto:wsinv@utah.gov) or by phone Toll-Free Hotline: 1-800-955-2210.

You will not need to give your name if you report fraud, waste, or abuse.
