FULL MOTION CAR SHOW

Memorial Day Weekend Community Wide Celebration - Saturday – May 28th, 2022

=====

This was an MLCCC Sanctioned Event as advertised by your MLCCC Executive Board and "Thank You For Your Part and Support". You know who you are and we appreciate your priority service to club activities! **OUR GOAL:** We seek to assist our community and Central Washington in their pursuit / enjoyment of life in the Columbia Basin. "BIG BIG KUDOS" to you "CRUISE ON" in 2022.

The BOD began developing all possibilities that were in front of us. We were approached by 2022 "MOSES LAKE SPRING FESTIVAL" for presenting a "CAR SHOW" and staging it on Dogwood Street, so as to be centrally located for maximum public viewing. A site visit and much conversation joining with SHADE TREE CUSTOMS and MLCCC's resources, showed all of us that, "YES" indeed it was possible to proceed with a fine street show. BOD approved and began cruising with the task.

With that many things happened: Advertising designs of ** Main poster ** Flyers ** Sponsor Contacts ** Registered Entry Prizes collections ** etc.). The process was deliberate and driven by great attitudes for presenting a highly visual successful event. "And" NOW IN THE REAR VIEW MIRROR WE ARE DECLARING THE EVENT WAS MORE THAN A HUGE SUCCESS – NOT ONLY FOR *Shade Tree Customs / Moses Lake Classic Car Club / Moses Lake Spring Festival*, but our own community and surrounding Grant County as unbelievable great event supporters. Even as we continued with our part of assisting in the MOONLIGHT PARADE, our community solidly lined the route and finally, what a time of "BEING OUT AND ABOUT" we all witnessed. Seeing those full smiles on children / hearing their joy / families huddled together / adults alike of all ages make us say we were all blessed - it was worth it all ! **"THANK YOU FOR YOUR PART" Your Exec. BOD**

Statistics were as follows :
