Art, Music and Movement

Our teachers are passionate about cultivating the artistic perspective and creativity inherent in each child. We use outside time to engage the students' bodies and keep them active. Our song time and art projects give our students creative outlets during the day.

Camp Mosaic at International Montessori Schools offers a 9 week summer program for children ages 6 months to 6 years of age.*

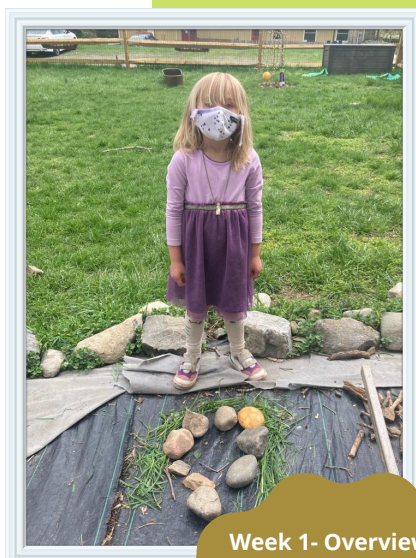

Each week children have the opportunity to expand their horizons, embarking on new adventures and participating in fun and exciting indoor and outdoor activities.

International Montessori Schools sees each child as an integral part of interconnected world, a piece of this splendid mosaic and, as such, has an important, unique role to play in his/her own environment. Similarly, we see each child as a beautiful whole consisting of different components: the intellectual, social, sensorial and emotional. IMSchools and Camp Mosaic are designed to nurture all of these components in order to help our students achieve the full potential.

Ecology and Gardening

Gardening activities are designed to motivate the children to think about the wonders of the natural world and ways to protect its resources. They learn about water while getting wet under sprinklers and cooling down on hot summer days and about soil while getting their hands and feet covered in mud. Our campers plant flowers that attract butterflies and hummingbirds in order to observe their interactions. They learn about where the vegetables come from and what it takes to grow them in a healthy way.

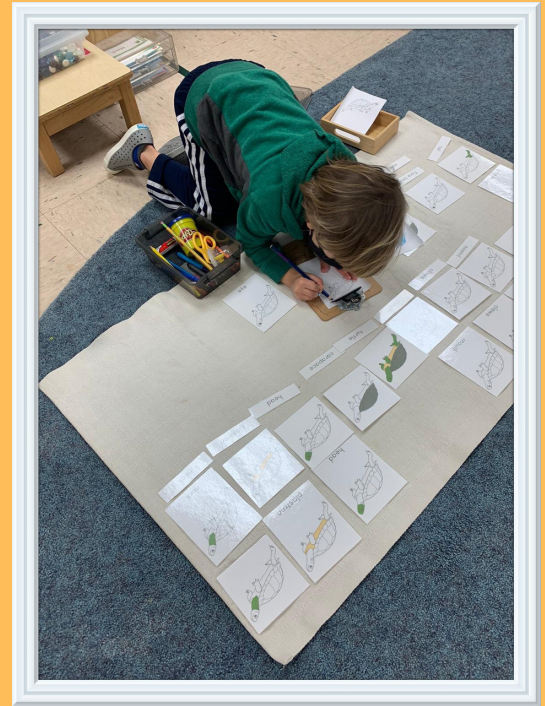

Week 1- Overview of Ecology
Weeks 2 & 3 - Forest
Weeks 4 & 5- Meadow
Weeks 6 & 7 - Pond
Weeks 8 & 9- Sandy Beaches

*6 years if existing IMSchools students

Camp Mosaic Offers:
