AMOUNT OF \$40,000 FOR THE PURPOSE OF  
ACQUIRING REAL ESTATE AND CONSTRUCTING  
IMPROVEMENTS THEREON TO EXTEND AND  
IMPROVE THE VILLAGE WATERWORKS SYSTEM  
AND DECLARING AN EMERGENCY.

---

WHEREAS, the Clerk-Treasurer has issued her certificate that the estimated life of the improvement to be constructed from the proceeds of bonds and notes hereinafter referred to exceeds five (5) years, the maximum maturity of bonds being thirty (30) years and notes being eight (8) years;

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE VILLAGE OF AMANDA, COUNTY OF FAIRFIELD, STATE OF OHIO THAT:

Section 1. It is hereby declared necessary to issue bonds of the Village of Amanda, Ohio, in the principal sum of \$40,000 for the purpose of acquiring real estate and constructing improvements thereon to extend and improve the Village Waterworks System and declaring an emergency.

Section 2. Said bonds shall be of the denomination of \$5,000 each and shall be dated approximately June 15, 1979; shall bear interest at the rate of not more than eight per centum (8%) per annum, payable semiannually until the principal sum is paid and shall mature in thirty (30) annual installments after their issuance.

Section 3. It is necessary and this Council hereby determines that notes shall be issued in anticipation of the issuance of said bonds.

Section 4. Such anticipatory notes in the amount of \$40,000 which sum does not exceed the amount of the bond issue, shall bear interest at the rate of four and one-half per centum (4-1/2%) per annum, payable at maturity. Such notes shall be dated June 19, 1978, shall mature on June 19, 1979, and shall be executed and delivered in such number and such denominations as may be requested by the purchaser thereof. Coupons shall not be attached to the notes.

Section 5. Such notes shall be executed by the Mayor and Clerk and shall bear the seal of the Village, shall be designated "Water System Land Acquisition Notes" and shall be payable as to both principal and interest at the Amanda office of Clearcreek Valley Bank and shall express upon their face the purpose for which they are issued and that they are issued pursuant to this ordinance.

Section 6. Subject to the rejection of said notes by the officers in charge of the Bond Retirement Fund, said notes shall be, and hereby are, awarded and sold to Clearcreek Valley Bank at the par value thereof and bearing the aforesaid rate of interest, and the Clerk is hereby authorized and directed to deliver said notes, when executed, to said purchaser upon payment of such purchase price and accrued interest to the date of delivery. The proceeds of such sale, except any accrued interest thereon, shall be deposited

in the Village Treasury and used for the purpose aforesaid and for no other purpose. Any accrued interest shall be transferred to the Bond Retirement Fund to be applied to the payment of the principal and interest on said notes in the manner provided by law.

Section 7. Such notes shall be the full general obligation of the said Village of Amanda, Ohio, and the full faith, credit and revenue of the Village of Amanda are hereby pledged for the prompt payment of the same. The par value to be received from the sale of the bonds anticipated by said notes and any excess funds resulting from the issuance of said notes shall, to the extent necessary, be used only for the retirement of said notes at maturity, together with interest thereon, and is hereby pledged for such purpose.

Section 8. During the years which such notes run there shall be levied on all taxable property in the Village of Amanda, Ohio, in addition to all other taxes and inside the limitations of Article XII, Section 2, of the Constitution of Ohio, a direct tax annually not less than that which would have been levied if bonds had been issued without the prior issue of said notes.

Said tax shall be and is hereby ordered computed, certified, levied and extended upon the tax duplicate and shall be collected by the same officer in the same manner and at the same time that taxes for general purposes for each of said years are certified, extended and collected. Said tax shall be placed before and in preference to all other items and for the full amount thereof. Funds derived from said levies hereby required shall be placed in a separate and distinct fund, which, together with interest collected on the same shall be irrevocably pledged for the payment of the principal and interest on said notes or the bonds in anticipation of which they are issued when and as the same fall due, provided, however, that in each year to the extent that the income from the village waterworks system is available for the payment of such notes and bonds, and is appropriated for such purpose, the amount of such tax shall be reduced by the amount of such income so available and appropriated.

Section 9. The Village hereby covenants that it will restrict the use of the proceeds of such notes in such manner and to such extent, if any, as may be necessary, after taking into account reasonable expectations at the time the debt is incurred, so that they will not constitute arbitrage bonds under Section 103(d) of the Internal Revenue Code and the regulations prescribed under the section. The fiscal officer or any other officer, including the Clerk-Treasurer, having responsibility with respect to the issuance of these notes is authorized and directed to give an appropriate certificate on behalf of the Village, for inclusion in the transcript of proceedings, setting forth the facts, estimates and circumstances and reasonable expectations pertaining to said Section 103(d) and regulations thereunder.

Section 10. It is found and determined that all formal actions of this Council concerning and relating to the adoption of this ordinance were adopted in an open meeting of this Council, and that all deliberations of this Council and of any of its committees that resulted in such formal action, were in meetings open to the public, in compliance with all legal requirements including Section 121.22 of the Ohio Revised Code.

148B  
148B

Section 11. It is hereby determined that all acts, conditions and things necessary to be done precedent to and in the issuing of these notes in order to make them legal, valid and binding obligations of said Village have happened, been done and performed in regular and due form as required by law; that the full faith, credit and revenue of said Village are hereby irrevocably pledged for the prompt payment of the principal and interest thereof at maturity; and that no limitation of indebtedness or taxation, either statutory or constitutional, has been exceeded in issuing these notes.

Section 12. That the Clerk is hereby directed to forward a certified copy of this ordinance to the Auditor of Fairfield County, Ohio.

Section 13. This ordinance is hereby declared to be an emergency measure necessary for the preservation of the public peace, health and safety of the Village and its inhabitants for the reason that provision must be made to acquire land for the waterworks system prior to June 20, 1978, so that revenue bonds can be issued; wherefore this ordinance shall take effect and be in force from and immediately after its passage.

Fixing and regulating the price that may be charged by Columbia Gas of Ohio, Inc., its successors or assigns, for gas to the Village of Amanda, Ohio, and to its inhabitants, for the period of Two (2) Years from and after the effective date of this ordinance.

BE IT ORDAINED BY THE COUNCIL OF THE VILLAGE OF AMANDA, OHIO:

SECTION 1: That, for the period of <sup>2</sup> ~~One~~ (1) Year from and after the effective date of this ordinance, the maximum price which Columbia Gas of Ohio, Inc., its successors or assigns, shall be permitted to charge for and the minimum price at which it or they shall be required to furnish gas to the Village of Amanda, Ohio (Municipality), and to its inhabitants, shall be and the same is hereby fixed for each individual consumer, as follows:

A "Customer Charge" of \$3.70, per meter per month, regardless of gas consumed and 8.787¢ per 100 cubic feet, per meter per month, for all gas consumed.

A "Customer Charge" for each customer each month of Three Dollars and Seventy Cents (\$3.70) shall be made. If service under this rate schedule is discontinued at the request of customer, the Company shall not be under any obligation to resume service to the same customer on the same premises until the customer has made payment of an amount equal to the "Customer Charge" for each month of the intervening period, but not to exceed twelve (12) months.

From and after the expiration of the aforesaid One Year period and for a further period of One (1) Year thereafter, as follows:

A "Customer Charge" of \$3.89, per meter per month, regardless of gas consumed and 10.631¢ per 100 cubic feet, per meter per month, for all gas consumed.

A "Customer Charge" for each customer each month of Three Dollars and Eighty-nine Cents (\$4.89) shall be made. If service under this rate schedule is discontinued at the request of customer, the Company shall not be under any obligation to resume service to the same customer on the same premises until the customer has made payment of an amount equal to the "Customer Charge" for each month of the intervening period, but not to exceed twelve (12) months.

The above rates exclude gas costs and the Ohio Gross Receipts Tax. All bills rendered pursuant to this ordinance shall be adjusted to reflect the effect of the Ohio Gross Receipts Tax and are subject to decrease or increase in accordance with the 'Gas Cost Recovery' Provisions of the Company's Rules and Regulations, on file with the Public Utilities Commission of Ohio.

- 2 -

SECTION 2: That it is expressly conditioned the service to be rendered by said Company, its successors or assigns, pursuant to this ordinance shall be primarily for domestic and commercial purposes and that service shall not be extended to other consumers of different classes until after all reasonable requirements for domestic and commercial purposes are fully met, and this provision shall be binding upon said Company, its successors or assigns, during each month of each year; but during any month or year, subject to the foregoing limitations and after compliance with the foregoing provisions gas may be delivered to any other consumer and additional classes of consumers at such times and under such conditions and for such rates as may be agreed upon between the Company and such consumer or consumers.

SECTION 3: The terms and conditions of the service to be rendered shall conform with and be subject to the Rules and Regulations for furnishing gas service of the Company on file with and approved by the Public Utilities Commission of Ohio.

SECTION 4: That the gas furnished or delivered pursuant to the terms of this ordinance, by the said Company, shall have an average heating value of 1,000 British thermal units per cubic foot for any consecutive twelve (12) month period subject to a variance of not more than five (5) percent upward or downward.

SECTION 5: In the event the State of Ohio, or the Municipality, should hereafter impose a tax upon the Company that is not now imposed, or should hereafter increase the rate of any tax now imposed upon the Company above the tax rate now existing, other than the rate on property listed in the real estate tax list and duplicate, then the rates prescribed in Section 1 shall be increased to the extent necessary to compensate the Company for the increase in cost due to such new tax or higher tax rate. This shall be done in the following manner:

(a) If the new tax or higher tax rate is computed in direct relation to gas sold or revenues received for the sale of gas, the rates set forth herein shall be adjusted to the extent necessary to recompense the Company for the amount thereof.

(b) If the new tax or higher tax rate is not related directly to gas sold or to revenues received for the sale of gas, then the total dollar effect thereof upon the cost of serving gas by the Company in the Municipality shall be determined, based upon operations of the Company in the Municipality during the most recently available twelve month period ending on the last day of the December preceding the effective date of the new tax or higher tax rate; the total dollars so computed shall then be divided by the total sales made to the types of customers covered by this ordinance during the same twelve-month period and the rates prescribed herein shall be correspondingly adjusted.

The adjustment of the rates prescribed in this Ordinance, as provided in subparagraphs (a) and (b) above, shall be made by rounding the mathematical result of the computations so prescribed to the nearest one quarter cent ( $\frac{1}{4}$ ¢) per one thousand cubic feet.

The adjusted rate shall be placed in effect and shall apply to all meter readings occurring on and after the effective date of the statute, ordinance or resolution pursuant to which the new tax or increased tax rate is imposed.

Written notification of the adjustment shall be sent to the Clerk of Council of the Municipality as quickly as possible after the effect of the new tax or higher tax rate can be determined.

SECTION 6: That any ordinance or resolution, or part of an ordinance or resolution, inconsistent herewith, is, to the extent of such inconsistency, hereby repealed.

SECTION 7: That should any section or part of a section or provision of a section of this ordinance be declared void, the remainder of this ordinance shall not be affected thereby.

- 3 -

SECTION 8: That this ordinance shall become effective at the earliest date allowed by law, or upon the expiration of the current ordinance, whichever date is later; provided, however, that this ordinance shall have no force or effect whatsoever unless written acceptance of this ordinance is filed by the Company with the Clerk of Council of the Village of Amanda, Ohio, prior to the expiration of thirty (30) days from the date this ordinance is passed.
