

# Occupational Safety and Health Protection For Employees of the UNITED STATES ARMED FORCES FOUNDATION, INC.

The Occupational Safety and Health Act of 1970, Executive Order 12196 and 29 CFR 1960 require the heads of Federal agencies to furnish to employees places and conditions of employment that are free from job safety and health hazards.

## Responsibilities of Your agency

### 1. General Requirements

The Administrator will furnish United States Armed Forces Foundation, Inc. employees places and conditions of employment that are free from on-the-job safety and health hazards.

### 2. OSHA Regulations

United States Armed Forces Foundation, Inc. will comply with applicable regulations of the Occupational Safety and Health Administration.

### 3. Reporting Hazards

United State Armed Forces Foundation, Inc. will respond to employee reports of hazards in the workplace.

### 4. Workplace Inspections

United States Armed Forces Foundation, Inc. will insure that each workplace is inspected annually for hazardous conditions. United States Armed Forces Foundation, Inc. will post Notices of Unsafe or Unhealthful Working Conditions found during the inspections for a minimum of three working days, or until the hazard is corrected, whichever is later.

### 5. Correction of Unsafe Conditions

United States Armed Forces Foundation, Inc. will take prompt action to assure that hazardous conditions are eliminated. Imminent danger conditions will be corrected immediately.

### 6. Safety and Protective Equipment

United States Armed Forces Foundation, Inc. will acquire, maintain and require use of appropriate protective and safety equipment.

### 7. Safety and Health Training

United States Armed Forces Foundation, Inc. will provide occupational safety and health training for employees.

### 8. Reporting Accidents, Injuries and Occupational Illnesses

Supervisors must submit a supervisor's report of accidental injury/illness for all work-related accidents, injuries or occupational illnesses experienced by employees under their supervision.

### 9. Safety and Health Committees

United States Armed Forces Foundation, Inc. will support any safety and health committees that are formed from management and employee representatives.

## Employee Responsibilities

### 1. Compliance with Standards

Employees shall comply with all OSHA and approved United States Armed Forces Foundation, Inc. occupational safety and health standards, policies and directives.

### 2. Safety and Protective Equipment

Employees shall use appropriate protective and safety equipment provided by United States Armed Forces Foundation, Inc.

## Rights of Employees and Their Representatives

### 1. Participation in Safety and Health Program

Employees and their representatives shall have the right to participate in the United States Armed Forces Foundation, Inc. Safety and Health Program. Employees shall be authorized official time for these activities.

### 2. Access to Records and Documents

Employees and their representatives shall have access to copies of applicable OSHA and other recognized standards and regulations; United States Armed Forces Foundation, Inc. safety and health policies and directives; accident, injury and illness statistics of the United States Armed Forces Foundation, Inc.

### 3. Reporting Hazards

Employees and their representatives shall have the right to report unsafe or unhealthful working conditions to appropriate officials and to request an inspection of the workplace. The name of the employee making the report will be kept confidential if requested.

### 4. Freedom from Fear of Reprisal

Employees and their representatives are protected from restraint, interference, coercion, discrimination, or reprisal for exercising any of their rights under the United States Armed Forces Foundation, Inc. Safety and Health Program.
