

SECURITY PROTECTIVE SERVICES for HEALTH-CARE FACILITIES

www.castledefense360.com

Healthcare facilities pose a significant set of challenges that must be addressed by a Third Party provider in order to be effective & to conduct an unbiased review of vulnerabilities & how to best mitigate risks.

We conduct and address the ALL HAZARDS requirements mandated by OSHA & IAHS Industry Guidelines .

We evaluate your organization's

- Security Vulnerabilities
- Emergency Management & Planning
- Policies & Procedures
- All Hazards Preparedness
