ROLL CALL: Kennedy, Julian, Tatman, Sigrist, Hedrick, Thaxton, with Mayor Webb and Solicitor Corbin present.

correction made on vote for liquor licence with 1 vote no. with correction made Kennedy made motion to accept min. as read sec by Thaxton. all yes.

#### PERSONS BEFORE COUNCIL:

Dennis Conley came before council to know if anything can be done about cats on public street getting hit and causing bad smell under houses where they die. Conley has already called dog shelter and Sheriff's dept to see what could be done and was told to check with village council. Solicitor Corbin said he might call Dick Tessie at Dog Shelter to see what he could find out.

Bill McCarthy from us epa talked about building waste area due to population growth and water treatment and to wait until Census for population talking more serious about investment in Sewers for the area. Then he went on to tell more about Land treatment and on Sight treatment from sewers. then he told the Council about 75% funding would be available to them. Council then told Mr McCarthy that the consultant they had hired previous had done nothing for them.

The grant consultant was Basic Engineering. Question was asked of Mr McCarthy if another Engineer was hired would it all have to be done all over again and Mr McCarthy told the council that Phase 1 plans from the previous engineer could be used. Total grant for project was \$16,550.00. and total structure should be completed by 1983.

Julian made motion to contact new consultant and see about cost for new project ideas. Sec by Hedrick. all yes.

Dan Wharton came before council to ask about the sod that was destroyed during recent snow removal. Don Hedrick explained how sod was torn up and said he would take care of the problem as soon as the whether was fit for him to work in yard. and also Mr Wharton wanted to know if alley which was involved could be made one way in either direction. Mayor asked him to check with some of the neighbors in the area and get their opinion on the matter and they would discuss it later.

#### POLICE:

B.B. complaints about the Presbyterian church windows being shot out and also Virginia Hunt notified police that her picture window was shot. Police Chief Nye asked if anyone in village saw anyone with pellet guns to please let him know so he could contact their parents. or leave the mayor know.

LANCASTER, OHIO 43130

January 23, 1980

COPY

Mr. John M. Kelley, Esq.  
227 Equitable Building  
Lancaster, Ohio 43130

Re: Village of Amanda and Kenneth Stoneburner

Dear Mr. Kelley:

It was and remains the position of the Amanda Village Council that Kenneth Stoneburner should be able to develop properties owned by him in the G. Simon's Addition, Amanda, Ohio. Concomitantly, Amanda Village Council adheres to the belief that certain right-of-ways in the vicinity of said Stoneburner properties, heretofore undeveloped, should remain as such, at least if development would result in the necessary expenditure of public funds. Recognizing the desire of Kenneth Stoneburner nonetheless to improve his properties, Amanda Village Council agrees to the following:

The right-of-ways designated on the Village Plat as Fredericks Street and Franklin Street, so far as they abut Stoneburner's properties, can be opened to public traffic provided the following conditions are met.

The streets at issue are to be constructed according to certain specifications. These specifications are to be recommended to Amanda Village Council by Blazer Materials or some other comparable contractor of Mr. Stoneburner's choosing, subject to Amanda Village Council's approval. Recommended specifications are to be based upon terrain and soil quality considerations. Specifications must be such that in the opinion of the recommending contractor the finished street will not be the cause of general dissatisfaction for adjoining propertyholders, present and future.

Amanda Village Council imposes the above requirement as it recognizes the Village's responsibility to maintain and repair improved public right-of-ways, such as these at issue will become.

Additionally, Amanda Village Council agrees to allow the right-of-way, running north and south from Franklin to High Street, immediately to the west of lots #143 and 144, to be opened to the public in the form of an alley. Again, specifications are to be

January 23, 1980

recommended by an independent private contractor, subject to Council's approval, and are to be such that will result in a relatively trouble-free public right-of-way to be maintained by the Village.

Any and all costs and any and all liabilities are to be borne by Mr. Stoneburner, or his successor in interest; and the Village of Amanda is to be free and unaccountable for any expense whatsoever, including but not limited to the cost of intersections, the cost of surveys, and litigational expenses and/or damages incident to defects in the Village's title to the right-of-ways at issue. Additionally, the cost of obtaining specifications as above-described, is to be borne by Mr. Stoneburner.

It is to be emphasized that no cost is to be incurred by the Village consequent to the development of the Stoneburner properties. Village Council has assumed the position that the Village is without funds necessary to the improvement of these streets and that the Village Council is under no obligation to necessarily expend funds for their improvement.

It is the Village Council's purpose, in setting forth its position, to allow Mr. Kenneth Stoneburner to make reasonable use of his property. It is hoped that this can be accomplished under the above-stated guidelines.

Sincerely,

Thomas J. Corbin

JTC/vlb.

# RECORD OF PROCEEDINGS

Minutes of

Regular

Meeting

national  
graphics

National Graphics Corp., Cols., O. Form No. 1097

Held

June 2,

19 80

The regular meeting of Village Council was called to order by Mayor Webb. With Solicitor Corbin present. Roll Call; Kennedy, Hedrick, Mansell, Sigrist were present with Thaxton and Tatman absent.

The first order of business was to delete High St. and McKinley St. which were to be made one way streets. Hedrick made motion to repeal Ordinance sec by Kennedy. All yes. Kennedy made motion to accept min. Sec by Mansell. All yes.

#### PERSONS BEFORE COUNCIL:

Kenny Stoneburner came before council to see if he could talk to council to see if they would let him tap into a sewer line in alley by his house to eliminate a water problem which he was having. he told council he had a contractor to do his work and he was qualified. The area in question is lot #146 and house on lot #147 & #148.

Hedrick made motion to give Stoneburner permission to tap into 8 inch sewer tile in another area of alley. Sec by Mansell. all yes.

Council explained to Stoneburner that the 4 inch tile he wanted to tap into already had five families on it and couldn't take care of anymore. so after more discussion with stoneburner Sigrist made motion to give Stoneburner permission to dig in the east-west alley n. of High & west of Fredrick to locate 8 inch tile, and construct whatever it takes to tie into 8 inch tile to the west alley, at his expense. Sec. by Hedrick. All yes.

Meeting called to order by Mayor Kennedy.  
for emergency repair and painting of water tower.

ROLL CALL: COUNCIL

Damon Thaxton, John Sigrist, Randy Mansell, Don Hedrick,

ROLL CALL: BOARD OF PUBLIC AFFAIRS

Ron Thaxton, Bill Brown, and Supt Randy Poling.

Randy Poling said tank has been drained and they are filling contract. according to contract.

Mr. Paul Walker a representative from The Security Tank and Tower Corporation of Henderson, Kentucky, gave his report on the tank and showed the council and Board of Public Affairs the inside of the tank and said there was a lot of rust inside of the tank and needed cleaned very bad, also that there was welds that needed welded also. and whole interior should be sandblasted and grind off lift lugs which should have been removed when tank was installed. and also explained the grease which they would be putting on inside of tank. The extra work from the contract would amount to \$15,128.25.

Bill Brown then told council that he had another welder look at inside of tank and gave his name as Harry Poston a welder from the area as a second opinion on the project, and said he didn't think all of the extra work would be necessary at this time.

Council met in executive session to <sup>discuss</sup> vote on the issue. after some deliberation they went into a second executive session the mayor then called Solicitor Corbin to ask him what his opinion was on the matter and he advised the council to take no action on the matter and have meeting the next evening.

## NO ACTION TAKEN

Hedrick made motion to adjourn, sec by Mansell.

for the record:

Sandblasting	\$7,300.00
Seam Welding 70%	\$7,103.25
500 Pits	\$ 625.00

Pentrack talked to Hedrick and wanted to know why he had to remove his cars that was by his Station when the others in the Village was not moved and left where ever they already set. Hedrick also talked to council about persons parking the cars across the side walk and wondered if the Village was responsible if anyone should fall while trying to get around cars.

also reported that Ruby Bates should be sent a letter within the next 10 days telling her if property is not cleaned up the Village will take care of the matter and if she still doesn't pay the balance will be put on her taxes.

Gene Miller reported that he had a tractor tire that was burned due to negligence of the dump near his property that someone put brush on the dump that caught fire and went out into the field and ruin his tire. Council asked clerk to call Metz Ins. to find out if Village was covered for problems of this type.

Hedrick also reported they were picking up leaves in the Village for the last 2 or 3 weeks.

Hedrick also reported that the School was doing some repair work and had some problems with the contractor so he helped with grates and risers to help the school out and he used some parts that were available.

Sigrist made motion to pay bills. sec by Thaxton. all yes.

# RECORD OF PROCEEDINGS

Minutes of

Special Meeting - Stoneburner

Meeting

national  
graphics

National Graphics Corp., Cols., O. Form No. 1097

Held

May 19

1981

A special meeting to resolve the Stoneburner issue was held on May 19, 1981, which was called to order by Mayor Kennedy at 7:00 p.m. Solicitor Corbin was present. Attending Councilmen were J. Sigrist, D. Hedrick, M. Valinsky, C. Rogers. Absent D. Thaxton. Mr. and Mrs. Stoneburner were present. Attorney Kelley arrived at 7:30 and the meeting proceeded.

Attorney Kelley introduced a map of Amanda, which shows the Stoneburner property, and explained the street and water problems.

Costs for developing the streets totaled \$54,500 by contractor over a year ago and Mr. Stoneburner would like to do most of this work himself. Councilmen agreed as long as he met the specifications set forth for suitably developed streets to be used by present and future owners and builders of this property. This would involve developing Fredericks Street north to Franklin Street, Franklin Street west to West Alley and West Alley to High Street. Mr. Stoneburner agreed that Lot #144 must be cut off to allow trucks the use of West Alley and Franklin Street. Once the specifications for developing these streets have been met, within a reasonable timetable, the Village of Amanda would be responsible for future maintenance. Councilmen will require a written statement containing specifications, timetable and means by which Mr. Stoneburner intends to proceed.

The water issue was then discussed and Council decided that the village will provide sufficient water for the consumer's use and that the cost of this extension should be resolved according to Ordinance 3-53 passed October 1, 1953, titled An Ordinance Providing Regulations Governing the Service and Use Provided by the Amanda, Ohio Municipal Water Works System.

\*Solicitor Corbin mentioned having an agreement between future buyers and Mr. Stoneburner that would bind them with Ordinance 3-53 but Attorney Kelley did not agree.

Council requested a written statement agreeing to these main issues. Attorney Kelley is to provide this by June 1st or shortly thereafter. Then Mr. Betz may be approached regarding the removal of his fence.

Councilman Rogers made a motion to adjourn and Councilman Valinsky seconded. All voted yes.

Nancy S. Sigrist  
CLERK

Sarah R. Kennedy  
MAYOR

Correction: \* Solicitor Corbin said future buyers would be bound by Ordinance 3-53
