The adjusted rate shall be placed in effect and shall apply to all meter readings occurring on and after the effective date of the statute, ordinance or resolution pursuant to which the new tax or increased tax rate is imposed.

Written notification of the adjustment shall be sent to the Clerk of the Village as quickly as possible after the effect of the new tax or higher tax rate can be determined.

Ohio Fuel's rates to the Company are regulated by the Federal Power Commission.

The service rates prescribed above are predicated upon the rate paid by the Company to Ohio Fuel of \$ 1.87 per month per one thousand (1000) cubic feet of Billing Demand and 32.05¢ per one thousand (1000) cubic feet for all gas purchased and are hereinafter referred to as the " base rate".

SECTION 6: In the event the State of Ohio, or the Village of Amanda, Ohio, should hereafter impose a tax upon the Company, that is not now imposed, or should hereafter increase the rate of any tax now imposed upon the Company above the tax rate now existing, other than the rate on property listed in the real estate tax list and duplicate, then the rates prescribed in Section I shall be increased to the extent necessary to compensate the Company for the increase in cost due to such new tax or higher tax rate. This shall be done in the following manner:

(a) If the new tax or higher tax rate is computed in direct relation to gas sold or revenues received for the sale of gas, the rates set forth herein shall be adjusted to the extent necessary to recompense the Company for the amount thereof.

(b) If the new tax or higher tax rate is not related directly to gas sold or to revenues received for the sale of gas, then the total dollar effect thereof upon the cost of serving gas by the Company in the Village during the most recently available twelve months period ending on the last day of the December or June, preceding the effective date of the new tax or higher tax rate; the total dollars so computed shall then be divided by the total sales made to the types of customers covered by this ordinance during the same twelve month period and the rates prescribed herein shall be correspondingly adjusted.
