GREAT RIDES!

To those of you that participated...what a great time!
I never thought we would have one MOH recipient riding with us, let alone many more.
To all of you that had to make room for the recipients and ended up riding who knows where...thanks!
Not one complaint was uttered, and that is the true testimonial to the generous group we are a part of.
To see WWII Marine, Woody Williams, riding high atop a deuce with 20 folks around him ...well, it just doesn't get any better!
To Bobby Hawk for providing air cover to the convoy...thanks!
To Rick Freeman for putting on a great air show...thanks!
To the Color Guard, you made us proud!
To those that worked to get the vehicles ready...thanks!
To Jimmy for providing a meeting place...thanks!
To the drivers that got our vehicles to Gainesville and back safely...thanks!
To the Denton County Sheriff's Department for providing our escort...thanks!
To all those that were along for the ride...thanks!
To be a part of something bigger than yourself
...get involved in V V A 920...you'll be glad you did!
Thanks,
Boots
