4-H/FFA GENERAL RULES & REGULATIONS

1. To be eligible to exhibit:
 - 4-H members: completed 4th grade through 12th grade (or that equivalent) during the 2021-2022 school year

 - FFA members: completed 9th through 12th grade (or that equivalent) during the 2021-2022 school year
 - An individual requesting accommodation to participate in the Ringgold County Fair should submit a completed Special Accommodation Request Form to the Ringgold County Extension Office. Because it can take time to plan for some accommodations, Extension and Outreach requests that the form be submitted six (6) weeks prior to the event. Submitting a Request for Services on short notice may reduce or limit Extension & Outreach's ability to implement the accommodations.
 2. Exhibitors will participate according to the following divisions (based on grade most recently completed or its equivalent):
 - Clover Kids= grades Kindergarten—3rd (limited fair participation)
 - Juniors= grades 4th—6th
 - Intermediates= grades 7th—8th
 - Seniors= grades 9th—12th (or that equivalent)
 3. A 4-H exhibitor must have participated in the project or program from which the exhibit comes. Each exhibit must be the work of the 4-H'er during the current 4-H year.
 4. All exhibitors and program participants are expected to be cooperative, courteous and good 4-H representatives while on the Fairgrounds and participating in 4-H events. Use or possession of alcoholic beverages (for human or animal consumption) or drugs on the Ringgold County Fairgrounds will result in disqualification of the exhibitor's entry and/or continued participation by the 4-H'er in the event. Ribbons/awards and premium monies will be forfeited as well.
 5. The Ringgold County Fair Board, Ringgold County Extension staff, Ringgold County 4-H & Youth Committee and Division Superintendents will not consider a protest, complaint, or appeal based upon the statement that a judge or judges are incompetent. All judges' decisions are FINAL. If an individual has a complaint, it must be brought to the 4-H Office (for 4-H or FFA), or Fair Board Secretary (open class). For 4-H or FFA complaints, the Ringgold County 4-H & Youth Committee will make the final decision.
 6. The Ringgold County Fair will use all precautions to ensure the safety of animals or articles entered for exhibition after their arrival and placement at the Ringgold County Fair. - Please Note: 4-H Exhibitor Shirts are available for purchase at: Extension office prior to fair; 4-H office during fair
8. 4-H/FFA exhibitors will be awarded premium monies for exhibits brought to the Ringgold County Fair. Monies are based upon a formula that considers: the amount of funding available by the Ringgold County Fair Board, the overall total number of exhibits at the fair, the kind of exhibit and the ribbon received. Premium monies are distributed at the end of the 4-H year.

9. The Ringgold County Fair has adopted the "Iowa Youth Code of Ethics." All youth and parents/guardians MUST adhere to the "Iowa Youth Code of Ethics" upon exhibiting at the fair.
- Youth are expected to be sincere, honest and act in sportsmanlike ways at all times. Youth represent the entire program and their behavior reflects on their parents, leaders, club and the entire youth program. All adults involved with the youth program, leaders as well as parents, are expected to set positive examples and serve as positive role models by what they say and so. Any youth who breaks the code of ethics or allows another person (adult or peer) to talk them into violating the code of ethics agrees to forfeit all prizes, awards and premiums. The youth may also be prohibited from exhibiting at this and future exhibitions including the Iowa State Fair and other county, state, or regional exhibitions.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

- a. I will do my own work, appropriate for my age and physical and mental development. This includes research and writing of exhibit explanations, preparing exhibits (such as sewing, cooking, refinishing, etc), care and grooming of animals, etc. Adult assistance should help guide and support me, not do it for me.
- b. All exhibits will be a true representation of my work. Any attempt to take credit for other's work, alter the conformation of animals, or alter their performance is prohibited. Copyright violation or allowing others to complete your exhibit is considered misrepresentation and is prohibited.
- c. I will treat all people and animals with respect. I will provide appropriate care for animals.
- d. I will present exhibits that are safe for consumption. All food exhibits will be safe to exhibit and for judges to evaluate. Other exhibits will be safe for judges to evaluate and for exhibition.
- e. All food animals that may be harvested immediately following the show shall be safe for consumers and shall have met all withdrawal times for all medications and be free of violative drug residue.
- f. If any animals require medical treatment while at the fair or exhibition, only a licensed veterinarian may administer the treatment. All medications that are administered shall be done according to the label instructions of the medication used.
- g. My animal's appearance or performance shall not be altered by any means, including medications, external applications and surgical procedures. Any animals that are found to have changed its appearance or its performance shall be disqualified from the show, and have penalties assessed against the exhibitor, parent and/or guardian by the management of the fair or exhibition.
- h. I will follow all ownership and possession rules and, if requested, will provide the necessary documentation.
- i. I will follow all livestock health requirements for this fair or exhibition, according to the state health requirements as printed in the premium book of the fair or exhibition. I will provide animal health certificates from a licensed veterinarian upon request from the management of the fair or exhibition.
- j. By my entering an animal in the fair or exhibition, I am giving consent to the management of the fair or exhibition to obtain any specimens of urine, saliva, and blood or other substances from the animal to be used in testing. If the laboratory report on the analysis of any sample indicates a presence of forbidden drugs, this shall be evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the exhibitor, parent and/or guardian to prove otherwise.
- k. I am responsible for my exhibit and I will not allow others to violate this code on my behalf. By my entering an exhibit in this fair or exhibition I will accept any disciplinary action taken by the management of this fair or exhibition for any violation of this code of ethics and any other rules of competition of the fair or exhibition without recourse against the fair or exhibition.
- l. I want my exhibit to be an example of how to accept what life has to offer, both good and not so good, and how to live with and learn from the outcome.
- m. I will not be involved in any illegal activities while participating in 4-H and FFA events, including but not limited to alcohol, tobacco or drug use.

Any violation of these rules at the Ringgold County Fair will be managed by the Ringgold County 4-H & Youth Committee.

3. Exhibits previously entered in an FFA Ag Science Fair or any other FFA events or competition may not be entered in any 4-H exhibit class.

6. 4-H'ers are not limited in the maximum number of exhibits that they may bring to the County Fair, with one project area exception: Photography—youth are limited to entering 5 photography exhibits. The exhibit should reflect the best quality the exhibitor has completed. Each exhibit must have an accompanying write-up answering the questions found on the "Exhibit Write-Up Form" or in Rule 10 (exceptions: photography exhibits only need the "4-H Photography Exhibit Form"; 4-H Communication poster exhibits only need the "Poster Exhibit Entry Form"; clothing events need correct accompanying form). ***Each exhibit MAY ONLY be exhibited in one class—the exhibitor should pick the class that best fits the exhibit and its goal(s).***
7. Due to security, 4-H'ers are discouraged from sending items that have special meaning and historical value as the exhibit or part of an exhibit. The Ringgold County Fair Board and Iowa State University Extension will use diligence to insure the safety of articles entered for exhibition after their arrival and placement but will not be responsible for damage or loss.
8. If the exhibitor chooses a display to illustrate what was learned:

Exhibitors must include permission from the copyright holder/owner when using copyrighted materials. Exhibitors must give proper credit to the original source of all materials/designs used in exhibits. (See also special rules for Visual Arts and general copyright information for 4-H'ers.)

11. A written explanation, audio recording, or video recording is to be included as part of each exhibit. The exhibitor should respond briefly to the following questions about the exhibit:

- What did you plan to learn or do? (What was your exhibit goal(s)?)
- What steps did you take to learn or do this?
- What were the most important things you learned?

**The information requested needs to be well organized and brief. Include all financial data needed to explain project. Check for additional requirements in exhibit classes for food and nutrition, photography, and visual art classes. It's also a good idea to include pictures of the exhibitor working on the exhibit in all phases.

12. Each item in an exhibit must be securely labeled, including **the name of the club, class number, exhibitor's name, exhibitor's grade and years of participation in the project**. Labels should be placed on the back of posters, notebooks and cards, on the bottom of jars, and in an inconspicuous place on other items. A completed County Fair entry tag should be securely fastened to the main item in each exhibit on or near the upper right corner or in an easily seen location. Entry tags are available at the Extension Office and will be available at the 4-H Exhibit Building on judging day.

13. All exhibits must be at the 4-H Exhibit Building on entry day.

14. *All exhibits in the 4-H Exhibit Building will be judged using conference judging (one-on-one meeting between a judge and the exhibitor).* The 4-H's goal and applicable exhibit standards will form the basis of the evaluation process. Refer to project "Judging Tip Sheets" located on each 4-H project page at: <http://www.extension.iastate.edu/4-H/projects> for evaluation criteria.

15. Ringgold County has an assigned number of exhibits that may be selected to go on to the Iowa State Fair (quotas are based on county enrollment). PLEASE NOTE: ONLY JUDGES, EXTENSION STAFF AND SELECTED 4-H VOLUNTEERS WILL BE PERMITTED IN THE 4-H EXHIBIT BUILDING DURING STATE FAIR SELECTION OF COUNTY 4-H PROJECTS.

16. All exhibits will be released starting at 9:00 am on Sunday, July 17.

SPECIAL REMINDER: Most exhibit classes have specific guidelines and requirements that will be included in the judging process. Members are highly encouraged to go to <http://www.extension.iastate.edu/4-H/projects> to find information about judging criteria for exhibits that they create from their 4-H project learning.
