

Team Volunteers

It is only through the support of our volunteers that the Burpengary Jets are so successful. We ask every parent who becomes part of the Jets Family to consider volunteering their time to support their child's team and the Club.

In addition to the Coach and Manager, every team requires at least 5 other parents to fill volunteer roles before the team can take the field each week.

Roles that require volunteers include:

If you have previously been disqualified from having a Blue Card it is an offence to sign a Blue Card Application Form. There is no fee to apply for a for volunteers Blue Card.
