

OURPORT is a group of Ketchikan residents who believe the City of Ketchikan should retain control and management of cruise ship berths 1-4. OURPORT opposes any concession agreement regarding Berths 1-3 which are owned by the citizens of Ketchikan and opposes any preferential berthing agreement with any cruise line. Berths 1-4 should continue to be managed with the goal of distributing cruise ship passenger counts evenly among them on an annual basis and ensuring all businesses continue to enjoy access to cruise ship passengers on public lands and facilities on an equal basis regulated only by public law.

OURPORT is a group of Ketchikan residents who believe the City of Ketchikan should retain control and management of cruise ship berths 1-4. OURPORT opposes any concession agreement regarding Berths 1-3 which are owned by the citizens of Ketchikan and opposes any preferential berthing agreement with any cruise line. Berths 1-4 should continue to be managed with the goal of distributing cruise ship passenger counts evenly among them on an annual basis and ensuring all businesses continue to enjoy access to cruise ship passengers on public lands and facilities on an equal basis regulated only by public law.
