

Gravel Ride Directions for Athens/Watkinsville to Penfield

I've had a lot of folks asking about gravel rides lately so here is a turn by turn queue sheet of one of my favorites.

This route goes from Athens/Watkinsville to Penfield.

Barnett Shoals road (coming out of Watkinsville) keep going east until the road turns into Bob Godfrey and then again into Wolfskin Hutchins.

You'll see the old volunteer Firestation on your left. That's where I park if I drive out there.

The next road on your right is Old Martin Rd. This is the first of the dirt roads.

Go right on Old Martin Rd.

At first intersection stay left on Wolfskin Hutchins

Right on Bull Bray road

Right on Oconee Forest Rd

Left on Arnolds Mill Rd

Right on Lower WireBridge Rd

Left on Penfield Wire Bridge Rd.

Right on Macedonia Rd (only asphalt for about 200 yards)

Left on Churchwell Rd.

Left on Nichols Rd.

Left on Callaway Rd.

When you hit Penfield Rd you are at the end of the continuous dirt roads. There are more further south, but they don't connect as well.

Have fun!!

Jimmy
