Dear Mayor:

Enclosed for the referenced meeting please find the following:

Resolution approving purchase of easements from Rodney and Elizabeth Miller;

Resolution approving plans, specifications and contract documents for construction of the wastewater treatment facility;

Resolution accepting deed from Charles and Eva M. Kinser;

Mandatory connection ordinance.

Please present these resolutions to Village council for its consideration at your special meeting. We will arrange to obtain executed copies from you subsequent to the meeting.

In addition to the above-listed resolutions also find enclosed original agreements for engineering services with R. D. Zande & Associates. The Farmers Home Administration is requesting that the Village provide four originally-executed agreements as part of the wastewater treatment facility loan closing documents. You and Cheri had previously executed two such agreements and they were approved by Village council on June 18, 1991. Kindly execute at the red signal marker and ask Cheri to sign at the yellow signal marker. Return the four originally-executed agreements to this office along with the above-listed resolutions.

Thank you for your assistance.

RE: Police Services Agreement with Fairfield County

Dear Mayor:

Enclosed please find the referenced agreement along with the resolution of the Fairfield County Commissioners approving the agreement and a Village resolution which also approves the agreement.

Please note that this agreement is different from the previous agreement (copy enclosed) in that (1) the village is agreeing to lease a police vehicle from the county for the sum of \$2.00 per hour; (2) the county is providing law enforcement liability insurance which protects the village; and (3) the village will not pay the deputy sheriff who patrols the village directly but must submit all sums to the County Sheriff's Department. This last provision is intended to clearly define the fact that the deputy sheriff is an employee of the county and not the village and is working in the village pursuant to this agreement.

Once council has approved the agreement kindly provide this office with executed copies of the agreement and the resolution.

Thank you for your assistance.

Sincerely,

Thomas J. Corbin
