

Los Angeles area skiers enjoy activities on land and sea...

... including kayaking and paddle boarding.

70+ Ski Club Newsletter Summer 2019

Los Angeles Area Members Enjoy Year-Round Activities.

I have been privileged to make great friends with so many of our members in the Los Angeles area who join our ski trips each season. I appreciate everything they do to contribute to a friendly and congenial atmosphere. Many of these skiers belong to the OTHGLA. *"On the Hill Gang Los Angeles is a mix of couples and singles 50+ with more than 100 members. While we began primarily as a ski club over 30 years ago, we have a full calendar of sporting and social events throughout the year. Our calendar of local events includes year-round monthly hiking, biking, and SUP/kayaking, as well as urban walks, luncheons and ethnic dinners. Special events coming up over the next several months include tickets to the Hollywood Bowl in July, our annual picnic in August, and our Fall Gala dinner in September."* 70 Plus members who are not currently members are encouraged to contact them to be invited as a guest to an upcoming event. I look forward to skiing with them in Mammoth next April. www.ohgla.org
