

# IED and BOMB SEARCH AND SWEEP TEAMS

[www.castledefense360.com](http://www.castledefense360.com)

Due to an increase of threats & incidents targeting event venues we offer Search & Sweep Team services. This service provides redundancy & greatly mitigates the chances of missing key indicators.

We save you valuable time & resources by conducting thorough searches of your venue prior to any events. We use an in-depth & methodical search process with our team of agents with real world experience in searching for, documenting and handling of IED's, bombs and bomb making materials.

We have years of experience in IED route, area & building search operations. We are well versed in the signs and indicators of potential IED and Bomb threats and emplacement.
