Why Christians Should Vote for Mitt Romney

David Jeremiah says go to <http://www.afaaction.net>

ALERT: If you are someone who won't vote for Mitt Romney because of his religion or that he is not pro-life enough, then you need to watch **Dr. David Jeremiah's sermon**. Please take the time

to reflect on his message and reconsider your decision. We must support Mitt Romney to save millions of unborn babies and the right to freely share about Jesus.

Choose Freedom: Vote Romney

Barack Obama is backed by dictators like **Hugo Chavez** and **Fidel Castro**.

Mitt Romney is supported by men of faith like **Billy Graham** and **David Jeremiah**.

These endorsements alone indicate the extremes that we are facing this election.

Did you know that Ann Romney would be the first pro-life First Lady since Roe v. Wade? Mitt Romney's pro-life position would defund Planned Parenthood from receiving 1.5 million in tax dollars every day - that's about a half a billion dollars a year! **Millions of unborn children would be**

saved under a Romney administration. Gianna Jessen, abortion survivor and an inspiration of October Baby, said, "If you're not voting for Romney because he's not your perfect candidate, you'll be helping to secure the slaughter of millions of innocents."

Fellow Christians, we're not agreeing with Romney's religion when we cast our votes. We're selecting the leader with policies closest to our values. It means that you support Romney-Ryan's policies like protecting **religious liberty** (i.e. having the right to speak about our Lord in the public square), supporting **Israel**, reinforcing **traditional marriage**, and defending the **sanctity of life**. Plus, Mitt Romney would **end our \$16 trillion debt**. [Click here](#) to find your polling location. If you are unable to vote on November 6, then be sure to vote early.

The very life of America hangs in the balance: If Obama wins a second term, then our freedoms will be stripped and given to a super-government that would afflict and affect every American. Don't help kill America by voting for a third party candidate or by not voting at all. That would be just like giving your vote to Obama. You must help Mitt Romney win. **Be sure to vote for Mitt Romney on November 6! And keep praying, working, and loving God in America!**

May God bless America,

Beyond Election 2012

By Stacie Ruth Stoelting

My sister and I have collectively visited with Barack Obama, Mitt Romney, and Paul Ryan. But, at the end of life, one election truly matters: the election of Jesus as Savior of your soul. Have you elected Jesus as the President (Lord) of your soul? Believe me, I have yet to hear the dying utter "Obama" or "Romney" as a last word.

I remember it vividly: I sat near the bed of a dying man. The smells of Purell, cancer, and a soon-to-be widow's perfume swirled together to sicken my nose. I determined to breathe through my mouth alone and give my nose a break.

As I looked at the wet faces of family members, as I grabbed for my Kleenex, and as my hand stroked the dying man's, what did I think of? Did names of famous people enter my mind? Did the room's occupants talk of the candidates? No! Only one name brought power to a seemingly powerless situation: Jesus.

Today, politicians' names float through the airwaves and exit millions of mouths; yet such names hold little place in a hospital room. Whose Name tenderly crosses the lips of the dying? Jesus. Whose Name brings joy to the joyless? Jesus. Whose Name sends sense to the senseless? Jesus.

Jesus' Name alone deserves the highest reverence and deepest love. But, in an imperfect, mistake-ridden world, His Name is used in vain.

Shamefully, the Encarta Dictionary includes a definition that mentions how His Name is used as an "offensive term expressing frustration or dismay." Someday, there will be no misuse of His Holy Name. (The misuse of Jesus' Name never catches Him by surprise. He knows what's going on. In the end, He will set everything right. "You shall not take the name of the Lord your God in vain, for the Lord will not hold him guiltless who takes His name in falsehood or without purpose." - Deut. 5:11, NIV 1984)

Here's a truth about Jesus' Name that excites me: "If you are censured and suffer abuse [because you bear] the name of Christ, blessed [are you--happy, fortunate, to be envied, with life-joy, and satisfaction in God's favor and salvation, regardless of your outward condition], because the Spirit of glory, the Spirit of God, is resting upon you. On their part He is blasphemed, but on your part He is glorified." (I Peter 4:14, AMP)

The etymology of the English name, Jesus, is quite interesting: "Jesus" is derived from the Greek version of the Hebrew Name for Jesus, which is Yehoshua. Yehoshua means "YHWH rescues." (YHWH is the most holy Jewish name for the one true God.)

As we face an election, let's use it as a time to focus on these points:

1. Have you "elected" Jesus as the President (all supreme ruler) of your life? You have a choice: elect Jesus and live eternally in Heaven. Or default to the devil and suffer in hell forever.

It's that simple. "Who is it that overcomes the world? Only he who believes that Jesus is the Son of God." (1 John 5:5, AMP)

2. Once "elected," Jesus will always be with you. Nothing can change His love for you. (To learn more about God's love for you, take time to be sure you know Jesus and His love personally. [Click here.](#)) Despite what some say, only His Name will give you the life you need!

"But these are written (recorded) in order that you may believe that Jesus is the Christ (the Anointed One), the Son of God, and that through believing and cleaving to and trusting and relying upon Him you may have life through (in) His name [through Who He is]. (John 20:31, AMP; emphasis added.)

3. No matter who is elected, Jesus Christ still rules supremely. Of all the rulers, kings, and presidents who have ever lived, only One reigns over the universes. All former and current occupants of earth -including Romney and Obama- will one day bow only to Him: "Therefore God exalted him to the highest place and gave him the name that is above every name, that at the name of Jesus every knee should bow, in heaven and on earth and under the earth, and every tongue confess that Jesus Christ is Lord, to the glory of God the Father." (Philippians 2:9-11, NIV1984)

4. When you see political signs or commercials, remember that Jesus' Name belongs on the highest banner. One day, we will all join the Psalmist and "We will [shout in] triumph at your salvation and victory, in the name of our God we will set up our banners." (Psalm 20:5; AMP)

5. Government can't give us abundant life: Only Jesus supplies what we truly need. Rely on Him. Do you believe Him? Jesus asks this question and explains it well in John 11:25-26: "I am [Myself] the Resurrection and the Life. Whoever believes in (adheres to, trusts in, and relies on) Me, although he may die, yet he shall live; And whoever continues to live and believes in (has faith in, cleaves to, and relies on) Me shall never [actually] die at all. Do you believe this?"

Jesus' perfect "policies" alone are supreme. He, the Author of life, encourages us to protect and deem precious all life -including the unborn and the extremely afflicted. Only in His name does true, abundant life exist.

In the election of 2012, let's ask Jesus to lead. Let's ask Him to give us wisdom and help our nation. Let's ask Jesus to be the eternal, all-powerful President -all supreme King!- of our souls.

No matter what happens, let's take comfort in the fact that Jesus can never be voted out. Once "voted into your heart," Jesus remains -and never goes back on His promises!

Featured Quote

"You cannot legislate the poor into freedom by legislating the wealthy out of freedom. What one person receives without working for, another person must work for without receiving. The government cannot give to anybody anything that the government does not first take from somebody else. When half of the people get the idea that they do not have to work because the other half is going to take care of them, and when the other half gets the idea that it does no good to work because somebody else is going to get what they work for, that my dear friend, is about the end of any nation. You cannot multiply wealth by dividing it."
