## A thank you from our friend Nono in Swaziland

Greetings in Jesus's Christ name.  
I hope this finds you well.

It is my pleasure to write to you today because in a way you have played a huge role in my life and for the people who need healthcare services in my country Eswatini. I want to thank you for your generous sponsorship towards my education.

Your financial contribution will enable me to pursue my passion for nursing. I have already enrolled in the program: Master of Science in Clinical Nursing at the University of Zambia, lessons beginning January 2022 to December 2024.

Furthermore, your contribution has alleviated my financial burden and that will allow me to focus on my studies and pass to make you proud that you contributed towards my academic career.

You will be glad to know that I will be the first person in my family and my church (Hawane Baptist Church and probably the whole of Eswatini Baptist) to get such an opportunity. None of this would have been possible without your faith in me. I believe that I will achieve a lot through your support and prayers.

I shall indeed be forever grateful to you for this. I will keep you posted about my progress.

Thanking you.  
Yours sincerely,  
Nono Ngidie
