Birthday parties require \$100.00 non refundable deposit due upon booking.

The remaining is due the day of your party, promptly by your party end time and must be paid before we leave your party location. You may choose to pay the balance before your party time starts for no interruptions later during the party.

In the event that you need to reschedule your party, you must give a minimum of a 24 hour notice for us to transfer your deposit for a later date or to keep as a credit with us. Your deposit will be forfeited if you reschedule/cancel less than 24 hours. Payment is still due in full when we arrive at your party and you decide to cancel for any reason(including weather change) or have us out for a shorter duration than planned. Automatic reschedule (**only if before we leave our farm**) due to mother nature if inclement weather (*ice, lightning/thunder, hail or rain more than a sprinkle, super high winds, below 20 degrees, above 90 degrees*).

Respectful Rules & Arrival

Absolutely no smoking, vaping, drugs or drinking alcohol on or around our horses and/or animals at any time. Areas where pony rides take place and/or animal enclosures are set up should remain clear of toys, dog waste, glass and trash. Horses and animals should be respected. No hitting, purposely spooking, spraying/dumping water or any type of liquid on them, throwing balls and/or any other object at our horses and/or animals, squeezing or stepping on bunnies and/or other animals. No type of food/treats are to be fed to our horses and/or animals except types approved by us. You must monitor children petting/feeding horses and/or animals, keeping fingers and hands flat at all times. We strive to give a positive & wonderful experience and expect the same positive behavior from all guests.

Please have all guests wait to enter the set up party area until your party time as it may delay set up and start time.

Pony Parties we arrive around 10-15 minutes ahead of time to get tacked and ready to start by your party time.

Petting Zoo's we arrive around 30 minutes ahead of time to set up enclosures, animals and ready to start by your party time.

For our petting zoo set up, we strongly prefer the front yard if at all possible. Petting zoo parties require a clear parking space close to the set up area (even if temporary to unload and reload).

We have the right to refuse service at any time during your party (full payment still due with no refund or prorated amount) if these rules are violated in any way.
