THE FALCON FLYER DECEMBER 2021

CHAPTER PRESIDENT'S MESSAGE

DECEMBER 2021

As we approached the end of 2021, it was with regret and sorrow that I informed the Chapter that our friend and long-time pillar of our Board of Directors, Lowell Jones, passed on September 6. Please read the "In Memorium" article on page 13.

In October, I attended the MOAA Annual Meeting and Awards Dinner and on behalf of the Falcons Landing Chapter, accepted the 5 Star Level of Excellence Award from LtGen Adkins, President of MOAA. November was a busy month. For the first time in two years, we conducted our Veterans Day Program live in the Falcons Landing Ballroom with over 90 members and residents in attendance (page 10). A week later, we held our Annual Chapter Membership Meeting and Election of Officers and Directors. For the past three years, it was an honor for me to serve as your President. I would like to thank the dedication and hard work of the Officers and Directors during this past year. Despite the pandemic, we were able to accomplish much. It is now time to pass the "gavel" to Phil Walsh, who will lead the Chapter to new heights. I will remain on the board as the Webmaster and Director of Communications. Congratulations are also in order for the new board members - Joe Miller, Ed Post, and Tom Owens (page 15). As we enter 2022, I wish all of you a healthy, safe and joyous New Year.

Never Stop Serving

Bob Manning, President

LEGISLATIVE REPORT INFORMATION AND PRIORITIES

Periodically, MOAA will lobby Congress to take legislative action to preserve our retiree benefits. The probability of favorable legislative action is in direct proportion to the number of voters who register support. MOAA sometimes includes postcards and letters in its magazine (Military Officer) for us to sign and mail to our representatives (identified for us). The MOAA Newsletter may also include an online access to act. It is imperative that we do so. To access the MOAA Newsletter go to the MOAA website at www.moaa.org and select the News and Info tab, followed by selecting Newsletters. The MOAA Newsletter "is an award-winning member-only e-newsletter subscription to provide information on topics most important to you. Whether you're looking for updates on current legislative issues, want to know more about your military benefits, or just interested in the latest MOAA events, you can tailor your newsletter to align with your specific needs and interests". It is included with your MOAA membership. If you are not registered with MOAA National for this, call the front desk (800) 234-6622, and you'll be guided on how to receive the newsletter on a desired schedule. Have your MOAA National membership number available. If you don't have email or have questions on obtaining this information, contact COL (Ret) Max Johnson at mjohnson64@verizon.net or 703-508-3788.

Our Chapter publishes a monthly Legislative Update for all members and works with MOAA to recommend to members that they support MOAA legislative initiatives by contacting their legislators. MOAA staff and Chapter members meet with members of Congress annually. You may review important MOAA legislative issues and activities on the MOAA website by visiting the Take Action section at <http://takeaction.moaa.org>.

VETERANS DAY 2021

by JIM MULLEN

There are more than 700,000 veterans in Virginia and more than 20,000 veterans in Loudoun County, 392 which live at Falcons Landing! On November 11, Veterans Day, organizations through-out Virginia honored their fellow veterans. At Falcons Landing veterans and family members participated in our annual Veterans Day program hosted by the Falcons Landing Chapter of the Military Officers Association of America (MOAA). It was an opportunity to recognize service to our country from so many of our fellow residents present and past and especially for those we remember who gave their lives in service to their country.

As we arrived in the Ballroom we noticed that each table had a card for each veteran thanking us for our service. The cards came from the fifth grade at St Theresa School. And that started the day....MOAA Chapter President Bob Manning led the full room of veterans and family in the Pledge of Allegiance and National Anthem followed by an invocation from Chaplain Jeff Payne. Phil Walsh gave us the opportunity to reflect on the history of Veterans Day--originally Armistice Day--that 11th hour of the 11th day of the 11th month that celebrated the armistice that led to the end of WWI. The poem "I Am a Veteran" by Andrea Christensen Brett was read by Howard Schue. We also recognized the proclamation by President Biden for National Veterans and Military Family Month which includes the reality of the role played by wives and families in supporting veterans. This was followed by a spirited rendition of Armed Forces service songs by members of various services, and a tribute to the USO by Allen Wild. Allen explained that Falcons Landing residents and volunteers strongly support the USO unit at Dulles Airport. We continue to serve.

After a closing benediction by Max Johnson, we enjoyed a moving rendition of "America the Beautiful," sung by nine-year old Claire Cosby.

COLONEL LOWELL JONES

It is with deep regret and sorrow that we inform you of the recent passing of our Director of Membership, Lowell Jones. Lowell Jones passed away on September 6, 2021 in Washington, DC. He was born on January 11, 1937 in Redfield, SD, to Paul and Charlotte Jones.

Lowell attended South Dakota State College, entered the AFJROTC program and, in 1957, received an appointment to the Air Force Academy. As a cadet, he met his future wife, Sandra, on a blind date and they were married in 1961. They had two sons together.

Lowell was stationed at Vance AFB, Pope AFB, Langley AFB, Little Rock AFB, Ramstein AB, Rhein Main AB, Scott AFB and the Pentagon, as well as doing a 13 month tour in Vietnam. In addition, he attended Texas A&M, for his master's degree in computer science, and the National War College.

During his military career, Lowell worked in a variety of positions to include: working with the Tactical Air Command and airlift systems division; command and control with the Joint Staff; deputy chief of the Military Airlift Command Center; squadron commander; and as Chief of the Mobility Division in Studies and Analysis, at the Pentagon. He retired from the USAF in 1985 and worked in the Pentagon, for a company with a DoD contract. He retired again in 1997 and he and Sandra remained in Fredericksburg, VA, until their move to Falcons Landing in 2011.

Lowell was very involved in the community. He was in charge of the Falcons Landing Home Delivered Meals program for many years and a very active member of MOAA.

Lowell is predeceased by his wife, Sandra, and survived by sons, Lance and Kevin, and five grandchildren.

In remembrance of Lowell, the Board unanimously voted to name one of the AFJROTC Scholarships in his name. The Colonel Lowell Jones Scholarship will be presented to a qualified Air Force Junior ROTC cadet at Chantilly Academy beginning in 2022 and will continue each year thereafter.
